

aanbesteden	to tender, contract out		
aanbesteding	submission, (public) tender		
aanbouden	to connect with bolts		
aanbouw	annex, extension, addition		
aanbouwen	extend, build on		
aanbrengen (verf)	apply		
aanbrengen (wapening)	place		
aanbrengmethode	method of application		
aaneenkillen	cement together, lute, putty together		
aaneenschroeven	bolt -/ screw together		
aangieten (beton)	grout		
aangrijpingspunt	application point, working point		
aangrijpingspunt Fz	center of gravity		
aanhechting	bond, adherence, adhesion		
aanhechtingsoppervlak	bond area		
aanhechtingsspanning	bond stress		
aanlegdiepte	foundation base		
aansluitprofiel	fillet, flashing piece		
aanmetelen	back up		
aanneemsom	contract price / sum		
aannemer	building contractor		
aannemersmaterieel	contractor's plant		
aanplempen	fill in, flush in		
aanplemping	flushing-in		
aanrecht	counter, dresser		
aanschaffingskosten	initial costs		
aansjorren	bind		
aanslag	rabbet, rebate, stop		
aanslaglat	stop bar, removable stop		
aansluitconstructie	butted joint		
aansluitdetail	abutting detail, fixing detail		
aansluiten	abut, butt (up), fit to		
aansluitvlak	abutting end		
aansmeren (met mortel)	butter, float, lute, torch		
aansprakelijkheid	liability		
aanstampen	ram, tamp		
aantrede	going, run		
aanvangsterkte	initial strength, primary strength		
aanvoering	supply pipe, flow pipe		
aanvrager bouwvergunning	building permit applicant		
aanvulling	filling up		
aanzicht	elevation, view		
absolute			
luchtvochtigheid	absolute humidity		
absoluut			
eenhedensysteem	absolute system of units		
achteraanzicht	rear elevation, rear view		
achtergevel	back elevation, rear back		
afbijten (beton)	etch		
~ (metaal)	pickle		
~ (sch.werk)	scour, strip		
afbikken	chip off, chisel off		
afbladderen	chip, peel off		
afboeren	scale off (at the corners), spall		
afborstelen	scrub off		
afbouw	completion, finish		
afbouwelement	appurtenance		
afbouwtechniek	finishing trades, structural detailing		
afbraak	demolition		
afbramen	deburr, burr off		
afdak	canopy, cantilever roof, side shelter		
afdekband	adhesive tape		
afdekfolie	covering plastic		
afdeklaag	decking, protective coating		
afdeklat	cover fillet, masking mould		
afdekplaat (beton)	cope, coping		
		~ (metaal)	copling plate, cover plate
		~ (natuursteen)	ashlar stone coping, copestone
		afdichtband	caulking strip, sealing strip
		afdichten	seal, caulk, lute
		afdichtingsrubber	rubber gasket, rubber joint
		afgewerkte lucht	exhaust -/ poluted -/ vitilated air
		afkillen	seal, caulk, lute, proof
		afkorten	cut off, shorten
		aflopend	raking, slanting, sloping
		afmeten	batch, gauge, proportion, measure
		afpleisteren	screed
		afreilat	levelling beam, screed beam
		afscheiding	partitioning, partition
		afschermen	blanket, mask, screen off
		afschot	fall, slant, falling gradient
		afschotlaag	sloping layer, sloping screed
		afschrijven	write down, write off
		afschrijving	amortisation, depreciation
		afschuifhoek	shear strain
		afschuinen	bevel, cant, chamfer, rake, splay
		afschuiven	shear
		afschuren	scour off
		afstand hoh	centre-distance, centres (afk: CRS)
		afstandhouder	distance piece, spacer block / stay
		afstempelen	prop up, strut
		aftakingspunt	bifurcation point
		aftrimming	facing, trimming, finish
		afvalwater (huish.)	domestic sewage / wastewater
		afvalwater (ongezuiverd)	sewage
		afvalwaterzuiveringsinstall.	sewage purification plant
		afvlinderen	rotary floating
		afvoergoot	discharge channel, drainage gutter
		afvoerkanaal (vent.)	exhaust shaft
		afvoerrooster (san.)	strainer, waste grate
		afwaleren	drain off, run off, shed water
		afwerkvloer	finish(ed) floor
		afwijking	deviation, divergency
		afzetting (geologisch)	alluvation, sedimentation
		agglomeratie	conurbation
		aktie en reactie	action and reaction
		andreaskruizen	herringbone strutting, cross bridging
		anker	anchor, tie bar, grappling iron
		ankerbout	stud anchor, anchor bolt
		ankerbus	anchor bushing, armature hub
		ankerloze spouwmuur	cavity wall without ties
		anti-clastische kromming	anticlastic curvature
		aquaduct	canal bridge
		aramide netwapening	aramid fabric reinforcement
		arbeid	work
		armatuur	fitting, armature
		as	axis, centre line
		asfalt	asphalt
		asfaltering	bituminous surfacing, butuminizing
		avegaar	auger

baanvormige dakbed. rolled-strip roofing, sheet covering
 baanvormige vloerbed. sheet goods
 badcel bathroom cubicle
 bajonetsluiting bajonet joint /- socket
 bakklift skip hoist
 baksteen (clay) brick
 baksteen (scherphoekig) squint quoin (afk: SQ)
 baksteenlatei brick lintel, brick beam
 baksteenmetselw. (gew.) reinforced-brick masonry
 baksteenpuin brick rubble
 balk balk, baulk, beam, joist
 doorgaande ~ running girder, continuous beam
 dubbele ~ keyed beam
 gekoppelde ~ fish beam, splice
 gewapend betonnen ~ reinforced-concrete beam (RC-beam)
 ~ met grote overspanning wide-span beam
 ~ op 3 steunpunten beam of two spans
 stalen ~ rolled steel joist (afk: RSJ), steel beam
 uitkragende ~ outrigger, cantilever beam /- girder
 vloerdragende ~ binding joist, common joist, floor beam
 balkconsole (beton) haunch, tapered haunch
 balkdrager joist hanger, stirrup
 balkenplan beam layout
 balkfundering beam foundation, grating
 balkhoogte beam depth, girder depth, joist depth
 balkijzer joist iron
 balkkop beam end
 balklaag floor joists, carcass flooring, decking
 enkelvoudige ~ single floor, one-way frame of joists
 samengestelde ~ binder and joists /- double-framed floor
 balkon balcony
 balkon (frans) french casement, casement door
 ~ (theater) dress circle, mezzanine
 balkonbalustrade balcony parapet
 balkondoorrover balcony inlet gully
 balkoplegschoenen joist trimmer, joist hanger
 balkrooster beam grid /- grillage
 balkuitsparing beam aperture /- box /- pocket
 baluster baluster, ban(n)ister
 balustrade balustrade, parapet, railing
 bandrooster modular band grid
 bandstaal strap steel, strip steel, hoop iron
 bank (grondw.) bench of ground
 werk- (work)bench
 zand- sandbar, sands
 bankschroef bench vice, bank screw
 barak barrack, hut, shack, shanty
 bebouwde kom built-in area
 bebouwing development
 gesloten ~ built-up development
 open ~ open development
 vervallen ~ dilapidated area, blighted buildings
 basismaat nominal dimension
 basismateriaal base material, key material
 basisrooster basic grid
 bebording boarding, plank lining
 bebouwingdichtheid density of development
 bedrading (elektr.) wiring
 bedspecie bed(ding) mortar
 beerput (riol.) cesspool, cesspit
 begane grond ground floor /- storey, first floor
 beglazing glazed finish
 beglazingsprofiel (epdm) (glazing) gasket
 begroten estimate

begroting cost estimate, construction budget
 globale ~ volume method of cost estimate
 voorlopige ~ preliminary cost estimation
 behaaglijkheid human comfort
 behaaglijkheidsfactor comfort indice
 beheer board
 behoud van impuls conservation of momentum
 beitel chisel
 beitsen spirit stain, water stain
 beitsen stain, tinge
 bekisting (beton) formwork, mould, shuttering
 blijvende ~ permanent formwork /- shuttering
 glijdende ~ moving shutters, sliding form /- mould
 houten ~ board formwork
 prefab ~ travelling formwork
 ~ stellen shutter up
 verloren ~ permanent formwork /- shuttering
 bekistingsmal (beton) gang mould
 bekistingsplaatvloer precast concrete plank slab, wide slab flooring
 bekleden (binnenzijde) line
 ~ (met bakst) brick
 ~ (met plaatmat) clad, sheath
 ~ (met stof) cloth covering
 bekledingsplaat cladding panel, facing slab
 belast loaded, stressed
 belastbaarheid load bearing capacity, stressability
 belasten weight, charge, burden
 belasting load, weighting
 centrische ~ concentric load, axial load
 denkbeeldige ~ virtual loading
 excentrische ~ eccentric load
 fictieve ~ fictitious load
 gelijkmatig verdeelde ~ uniformly distributed /- evenly shared load
 lineaire ~ knife-edge /- strip /- distributed line load
 permanente ~ constant /- continuous load
 rustende ~ dead load, static load
 toelaatbare ~ allowable /- design /- safe load
 veranderlijke ~ imposed /- live /- service /- working load
 belastingspreiding load distribution
 belastingssschema loading pattern
 belastingsstoename increase of loading, increment of load
 belegstuk (schuifraam) back boxing, back lining
 belending adjacent building(s), marginal property
 beeloopbaar ascendant, to be walked on
 beeloopbaar dak roof-deck
 bemaling dewatering, drainage,
 bemetseling, vuurvaste refractory lining
 benadering approximation
 beperking constraint
 bepleisteren (stuc.) plaster, render, daub, parget
 berapen (stuc.) render, parge, besmear, prick-up
 berekening calculation, analysis, computation
 berekening (statisch) structural analysis
 berekeningsaanname calculation /- design assumption
 berm verge of a road, bench
 beschiating boarding, planking, sheathing
 staande ~ board-and-batten siding
 beschoeiing (grondw.) revetment, bank protection
 beshot boarding, sheeting
 beslag (metal) fittings, furniture
 bestek building /- tender specifications
 bestektekening contract /- bidding drawing
 bestemmingsplan zoning map, zoning plan
 bestrating (natuursteen) stone pavement, soling
 bestrating (baksteen) brick pavement

bestrating (tegels) slab pavement
 betegeld flagged
 betegelen tile, set tiles
 belengelen lath
 beton concrete
 getride ~ joilted concrete, form-vibrated concrete
 gewapend ~ reinforced concrete
 schone ~ exposed concrete, fair face concrete
 ongewapend ~ plain concrete, mass concrete
 onverhard ~ fresh concrete, green concrete
 schrale ~ dry lean concrete, poor concrete
 spult- ~ gunite, place shotcrete
 uitgewassen ~ scrubbed /- washed concrete
 betonaanstoring concrete backfilling
 betonbooranker red-head
 betonijzer reinforcing bar
 geprofileerd ~ rebar
 betonkubel concrete hopper
 betonneren cast concrete
 betonpuzteller dolly, follower, puncheon
 betonpaal (verzw. voet) pedestal pile, bulb pile
 betonplex plywood shuttering
 betonpoer concrete footing /- foundation pad
 betonrot concrete decay, progressive scaling
 betonstorten cast concrete
 betonwand concrete wall
 ~ met gewas.betonopp. paretta
 beugel (leiding) pipe clip, pipe clamp
 ~ (montage) angle /- fixing bracket
 ~ (beton alg.) binder
 ~ (beton balk wap.) link
 ~ (beton kolom wap.) stirrup
 beugelafstand pitch of links, stirrup spacing
 beugelzaag hack bow saw
 beuk (hoofd-) nave
 beuk (Zij-) aisle
 beukenhout beech wood
 bevestiging attachment, fastening, fixture
 verende ~ spring fastening
 bevestigingsanker fixing lug
 bewegingsvoeg contraction /- movement joint
 bewerken (hout) dress, trim
 bewerken (natuursteen) chisel, cut, dress, hew
 bezinken precipitate, settle, sediment
 bezonning sunning, sunlighting
 bezonning (instraling) insulation
 bezonningsdiagram sunpath diagram
 bezonningsduur insulation time
 bezwijkanalyse analysis of failure
 bezwijklast breaking /- collapse /- ultimate load
 biaxiale spanningstoestand biaxial stress
 bijkeuken scullery, back kitchen
 bijwerken patch, mend, repair
 bikijzer bolster
 bimsbeton pumice concrete
 bimszand blast furnace /- foamed /- pumice slag
 binding (cement) setting, hardening
 binnenblad inner leaf
 binnen oppervlak inner surface
 binnenwerkste maat inside width
 blaasvorming blistering, bubbling
 blijvende rek permanent elongation, residual strain
 blind vermageling blind nailing
 blusapparaat fire extinguisher
 boardplaat fibreboard, fibre slab
 geperforeerd ~ pegboard, perforated hardboard

harde ~ hard fiber board, hardboard
 zachte ~ fibre-insulating board, softboard
 bodemafsluiter damp-proof slab, oversite concrete
 bodemgelaagdheid soil stratification
 bodemgesteldheid soil condition
 bodemlaag soil stratum
 bodemsanering ground decontamination
 bodemstabilisering soils cementation, soil stabilization
 boeiboard cantboard
 bok trestle, stool
 bokspant roof truss
 bolscharnier ball and socket joint
 boog arch
 boog met trekband tied arch
 boogspant bow truss
 boogvenster arched clerestory
 boor (v/e machine) boring bit, drill
 fress- shaper
 grond- auger
 hand- hand brace, hand drill
 punt- gimlet, awl
 hout- wood bore bit
 boorgat borehole, drilled hole
 voorgeboord ~ pilot hole
 boorpaal auger pile, bored pile, cased pile
 boorschoen drive shoe
 bordes halfpace, (stair) landing, platform
 bordestrap dog-leg staircase
 borgmoer check nut, lock nut
 borgpen cotter pin
 borstwering:
 muurged. onder raam spandrel, apron wall, parapet wall
 langs platte dak breastwork, parapet wall
 v. zoldervloer tot dakvoet jamb wall, parapet wall
 borstweringpaneel spandrel panel
 boucharderen bush hammering, nidge
 bout bolt
 gedraaide ~ turned bolt
 ~ met draad aan 2 eind double-end bolt
 ~ met verzonken kop countersunk bolt
 ~ met vierkante kop square-nut bolt
 ~ met zes-kante kop hexagonal bolt
 boutgat threaded hole
 boutschacht shank
 bouw- en woningtoezicht construction and housing supervision
 authority
 bouwadvies consulting
 bouwambacht building and construction trade,
 trowel trade
 bouwbedrijf building industry
 bouwbeslag builder's fittings, finish hardware
 bouwbesluit Building Regulations (afk: BR)
 bouwbestek bill of quantities, building specifications
 bouwconstructie building construction
 bouwelement building component
 gestapeld ~ stacked member
 samengesteld ~ composite unit
 bouwfolie building foil
 bouwgrond construction ground, developed sites
 bouwkeet shanty, site hut, workman's shelter
 bouwkeet (directie) site office
 bouwkunde building engineering, construction eng.
 bouwlaag floor
 bouwlift builder's hoist, building elevator
 bouwloods barrack, cabin, shed
 bouwmethode building method

bouwnorm	construction standard
bouwpapier (geïmpregn.)	kralt paper
bouwplaatinrichting	site preparation
bouwproces	building method, sequence of constr.
bouwpit	building pit, excavation pit
bouwrijp	full developed
bouwschutting	hoarding, site fence
bouwsom	building sum
bouwspeculant	jerry builder
bouwsteen (glas)	glass block, glass brick
bouwsteen (hol)	cavity brick, hollow building block
bouwtoezicht	construction supervising authority
bouwwallig	deteriorated, ramshackle
bouwerbod	building ban
bouwwerunning	building permit, consent to build
bouwwerordering:	
landelijk	Building Regulations (afk: BR)
gemeentelijk	building by-laws, local by-laws
bouwvocht	building -/ constructional moisture
bouwwerf	building yard, plant depot
bouwwerkzaamheden	building works, construction activity
bovenbouw (bov.maaiv.)	superstructure
bovendorpel (raam/deur)	head piece /- rail
bovenkant	upper-edge, top
bovenkwart (trap)	upper quarter-turn
bovenlicht	fanlight
bovenraam sluiting	fanlight catch
bovenrandslaaf	top boom member, top chord
(staal: vakwerkligger)	
bovenregel	rail, ranger, summer beam, waler
bovenspeun	top rivet
braakliggend terrein	fallow ground
braam	burr
braam (plastic)	flash
brandbaar	combustible, inflammable
brandblusser	fire extinguisher
brandcompartimentering	fire compartment, space separation
branddeur	fire check door, fire-resistant door
brandgang	fire fighting way
brandoverslag	fire spread
brandslang	fire hose
brandvertragend	fire- /flame-retardant
brandvoortplanting	fire propagation
breedflensbalk	broad-flanged -/ wide flange beam, H-girder, H-beam
breedplaatvloer	precast wide plank flooring
breedte	width, breadth
in de ~	widthwise
werkende ~	effective width
breuk	fracture, rupture, crack
breukrek	breaking elongation, failing strain
breuksterkte	crushing strength, final strength
breukvlak (natuursteen)	quarry face
broeikaseffect	greenhouse effect
broekstuk	end ridge tile, hip cap, hip starting tile
bronbemaling	wellpoint system, deep well system
bros	brittle, cold-short, friable
bros (hout)	brashy wood
bruikbaar.grenstoest.	servicibility
buigen	bend, flex
haaks ~	crank
plaatstaal ~	fold
wapening ~	bend down /- up, pretie
buigend moment	bending -/ sagging moment
buigformule	flexural formula
buiging	bending

buigslap	flexible, flexural
buigspanning	bending stress
buigstijfheid	bending rigidity, flexural stiffness
buis	pipe, tube
naadloze ~	seamless pipe, weldless tube
buisdiameter	bore of a pipe, inside pipe size
buisdoorvoer	pipe sleeve, thimble, sleeve piece
~ door muur	wall bushing, sleeve piece
~ door vloer	floor sleeve
buis-in-buis systeem	cross-linked pipe system
buitenboeiboord	eaves fascia, fascia board(ing)
buiten oppervlak	outer surface
buitenwijk	outskirt, suburb
bulldozer	bulldozer, crawler dozer
bulsinggat	pullgog hole, scaffold hole

cacheerlaag	coating, lamination
cacheren	laminate, coat, cover
caisson (fund.)	box caisson
calque papier	tracing paper, trace
cannelure	cannelure, channel, flute
capillaire opzuiging	capillarity, capillary attraction
capitonneren	cushion, upholster
carbolineum	carbolineum, creosote
casco	carcass, carcassing, fabric
cassettenplafond	cassette -/ coffered -/ waffle ceiling
cassettenvloer	caisson slab, waffle slab floor
cassettenvloerplaat	waffle slab
cellenbeton	cellular -/ aerated -/ foamed concrete
cellendeur (honingraat)	coreboard -/ honeycomb core door
cement	cement
langzaambindende ~	slow-setting cement
snelbindende ~	flash -/ jet -/ Martin's cement
vuurvaste ~	refractory cement
cementbrij	cement grout
cementdekvloer	cement finish, monolithic screed
cementlijm	(neat) cement paste
cementlijst	fat board
cementpleister (stuc.)	cement coating, cement rendering
cementpleisterlaag (stuc.)	spatterdash
cementraam	brick damp course, rigid damp course
cementraamklinker	engineering brick
cementsluier	laitance, slop
cementspecie	cement mortar
centerboor	centerbit, centring drill
centerpen	form spacer, form tie, tie rod
centraaldoos (elek.)	central conduit box
centrale hoofdas	principal centroidal axis
centrale hoofdtraagheidsas	principal axes of inertia
centrale verw.install.	central heating plant
centreerpen	centring pin
chamotte	chamotte, refractory clay
camotte mortel	fireclay -/ refractory -/ grog mortar
circel van Mohr	Mohr's correction method
circelboog	arc of a circle, circular curve
circelzaagmachine	circular saw, disk saw, buzz saw
classificeren	assort, classify, grade, sort
closetpot	closet pan, lavatory bowl
collegezaal	lecture hall, lecture room
combiketel	combined boiler
combinatietang	engineer's pliers, linesmen's pliers
combinatievloer	composite floor, beam and block floor
complementaire oplossing	transient solution
component	component
composit	composite
compriband	intumescent strip, expanding foam gasket
computervloer	access flooring system, cavity floor
condens	condensate, sweat
condensatiepunt	dew point
condenshol	condensation groove
conserveren	preserve
conserveringsmiddel	mean of preservation, preservative
consistentie	consistence, consistency
console	bracket, corbel, console, perch
consolebalk	haunched beam
consolespant	cantilever truss
constant verdeelde belastir	uniform load
constructie	construction, structure
geklonken stalen ~	riveted steel construction
gelijmde ~	bonding system, cementing system
gespijkerde ~	nail-joint construction

statisch bepaalde ~	perfect frame, statically determinated construction
statisch onbepaalde ~	hyperstatic construction, redundant frame
stijve ~	rigid structure
constructiehout	stress-graded timber /- lumber
contactgeluid	impact sound, solid-born noise
contactgeluidsniveau	impact noise rate (afk: INR)
contactlijm	close-contact glue, dry-bond adhesive
contract	agreement, contract, deal
contragewicht	counterweight
contramal	copying template, master
conus	(penetrometer) cone
conusweerstand	cone resistance
convector	convector heater
convectorput	convector ground niche
coördinaat	coordinate
coördinatie	co-ordination
correctieschroef	adjusting screw
corrosie	corrosion, rust
craquele'	hair line cracking, hair checking
~ in verlaag	alligating, crocodiling, crack formation
~ op beton, pleister	crazing
~ op keramiek	crawling
Cremonafiguur	Cremona's polygon of forces
Cross-methode	Cross method
cv-installatie	central heating system

dag face, day, ingo
dagkant jamb, reveal, ingoing
natuurstenen ~ jambstone
schuine ~ embrasure
van deur doorcase, flanning
daglichtfactor daylight factor
daglichtkoepel domed roof light, saucer dome
daglichttoetreding daylight illumination, daylighting
dagmaat clear dimension, measure in the clear
dagschoot door latch, door bolt, lock bolt
dagstaal daywork sheet
dagstuk
deuropening (door) casing, door ~/*jamb lining*
trapgalg apron (lining), fascia
raamopening (window) casing, window ~/*jamb lining*
clear width
dak roof
aangekap ~ roof with sprocketed eaves
beloopbaar ~ roof-deck
flauwhellend ~ low pitch roof, shallow pitched roof
gebogen ~ arched ~/*cambered ~*/*vaulted roof*
gebroken ~ gambrel ~/*kerb ~*/*mansard roof*
geknikt ~
hellend ~ pitched ~/*inclined roof*
~ met kilgoot valley roof
~ met spanten framed roof
~ met vlakke pannen plain-tile roof
~ met wolfseinden gambrel ~/*half-hipped roof*
overslelend ~ cantilever roof
plat ~ flat roof
steil ~ steep roof
watergekoeld ~ spray-pond roof
dakafvoer roof drain(age), roof outlet
dakbelasting roof live load
dakbeschot roof boarding /- sheating /- decking
~ met messing en groef close boarding, matched roof boards
*~ zonder ** open boarding
dakdekken roof
~ (met leien) slate
~ (met pannen) tile
~ (met rioel) reed, thatch
dakdoorvoer roof flange, roof vent flange
dakelement roof decking, roofing member
dakgoot eaves gutter, eaves trough
dakkamer attic (room), garret
dakkapel dormer (window), gable window
~ met schilddak hipped dormer roof
~ met zadeldak gable dormer roof
~ met lessenaarsdak shed roof dormer
dakkoepel roof dome
daklei roof slate, healing stone, countless
daklicht laylight, sky light
daklijst eaves
dakluik roof hatch
dakoverstek eaves overhang, water check
~ over de topgevel rake, raking cope
zonder ~ flush eaves
~ zonder goot dripping eaves
dakpan (roof) tile
betonnen ~ concrete (interlocking) roof tile,
cement roofing tile
geglazuurde ~ glazed roofing tile
gesmoorde ~ blue tile
glazen ~ glass (roof) tile

holle ~ bent tile, hollow tile, pantile
keramische ~ clay roof tile
verbeterde ~ double-interlocking roof tile
vlakke ~ flat ~/*plain ~*/*plane tile*
dakrand (plat dak) roof edge
~ (hellend dak) verge
dakspant roof frame /- principal /- truss
daktengel roof counter batten
daktuimelraam roof pivoted sash
dakvenster (rond) bull's eye
dakvilt wool felt, rag felt
dakvlak roof pane, roof face
dalkabel ridge cable
dam (grondw.) earth dam, embankment
damp vapour, vapor
dampdicht dampproof, diffusion-tight
dampdichte laag damp-proof course (afk: DPC),
vapour seal, vapour barrier
dampdoorlatende folie breather foil /- membrane
dampdoorlating vapour migration /- transmission
dampremmend vapour checked /- retardant
dampremmende laag zie: *dampremmende laag*
dampspanning (verzad.) saturated vapour pressure
damptransport moisture migration, vapour movement
damwand pile planking, sheet piling
dauwpunt dew-point, saturation temperature
debiet flow rate
decoupeerzaag jig saw, saber saw, scroll saw
deel board, deal, plank
(timm; gezaagde plank)
geprofileerd ~ scotia board (met aangeschaafd hol)
ongekantrecht ~ sawn log
uitkragend ~ jetty
dekdoorpel covering sill, timber threshold
deklineer face veneer, skin
deklat cover strip
deklijst cornice, crown mould
dekplaat cover plate
dekverf covering ~/*final ~*/*opaque coat*
dekzand drifting sand, shifting sand
demontabel dismountable
demonteren dismount, detach,
dampen (trillingen) damp
~ (akoest.) attenuate, deaden, muffle
~ (grondw.) fill in, fill up, earth up
~ (verlichting) dim, subdue
detail detail
~ op ware grootte epure
detaileren detail
deuk dint
deur door
blinde ~ false ~/*blind ~*/*blank door*
doordraaiende ~ double-acting ~/*draught door*
doorslaande ~ double-acting ~/*swinging door*
gecapitonneerde ~ padded ~/*drum-pannelled door*
geluiddempende ~ sound ~/*sound-rated door*
geluiddichte ~ acoustical door
*opdek-
vouw-* rebated door
folding ~/*acordion door*
deuraanslag back fillet, door strip, planted stop
deurbeslag door fittings /- furniture
deurdranger automatic door check
deurgeheng cross garnet hinge

deurkruk door handle /- pull, crank handle
deurpost door post /- cheeks /- jamb /- stud

deurspion door viewer, judas hole
deugel diagonal, peg, pin, trenail
diagonaal diagonal, arrisways
dichten (buisverb.) caulk, lute
~ (naden) seal, proof, cover
~ (vullen voegen/naden) caulk, calk, seal
dichtheid density
dichtheden lute, seal
dichtsmen trowel
dienkeuken pantry, larder, scullery
dienstlift service lift, freight elevator
diepgraver (power) navvy
dieptrekken swage
differentiaal vergelijking differential equation
dilatievoeg expansion ~/*dilatation ~*/*control joint*
dimensioneren dimension, proportion, size
directe afschuiving direct shear, simple shear
distributieleiding manifold, secondary main
doelmatigheid fitness for purpose
dompelen hot dip
doeien thaw
doek dowel, rag bolt
doekgat lewis hole, dowel mortise
doorbraak (metselw.) breach, break-through
doorbreken breach, break through, hole, pierce
doorbuigen bend, deflex, flex
doorbuigen (zich) sag
doorbuiging deflexion, bending, flexure
~ door eigengewicht natural sagging
maximale ~ maximum deflection
doorgang passage
doorgefluk hatch, pass-through
doorkijk cross-vista, throughview
doorlatend permeable, pervious
doorschijnend clear, translucent, transparent
doorslag (vocht/metselw.) capillary entry, ooze, seepage, soaking
doorsnede section
horizontale ~ horizontal section, sectional plan
*dwards-
lengle-
schuine ~* cross section, transverse section
verticale ~ longitudinal section
bevel cut, oblique section
vertical section
doorvoeren lead through, feed through
doorzakking sagging, slackening, slackness
doorzonwoning crosswall type construction for dwelling,
terrace housing with through living-room
dooslijger box girder, hollow-web girder
dopmoer blind nut, capped nut, hat nut
dorpel cill, sill, threshold
doseren dose, batch, gauge, measure
douche shower (bath)
douchebak shower pan, shower tub, receptor
douchemengkraan thermostatic-mixing shower valve
douchewand shower partition, shower stall
draad wire
~ (houtvezel) ligneous fibre

dragende binnenwand spine wall, cross wall (afh. v. richting)
drainage drainage, dewatering
drainagetegel drain dalle, drain tile
draineerbuis drain pipe, field drain
drassig boggy, marshy, swampy
drempel threshold
drevvel nail punch, nail set, brad punch
driepoot tripod, derrick, gin, shear legs
driescharnierboog three-hinged ~/*triple articulation arch*
driescharnierspant three-hinged frame
drinkwater drinking water, potable water
drogen dry, desiccate
~ (hout) season
drogingskrimp drying shrinkage
droogblussen (kak) dry slaking
druiphof drip nose, gorge, throat, weather groove
druiplijst drop apron, throating, chantlate
druk compression, thrust, pressure
opwaartse ~ upthrust, (water) buoyancy
zuiverse ~ direct compression
drukdiagonaal diagonal strut
drukboog compressive arch (Moerwald)
drukdoos load cell
druklaag compression zone, pressure area
druklast compressive load
gecentreerde ~ thrust load
druklijn line of thrust, curve of pressure
drukpunt centre of pressure
drukspanning compressive stress /- strenght
drukstaaf compression member, strut
drukverlies head loss, pressure drop
drukverval hydraulic gradient, pressure gradient
drukwapening compressive bars /- reinforcement
dubbele T-balk double-tee beam, precast TT-beam
duiker culvert (siphon), pipe culvert
duimstok inch rule, carpenter's gauge
dukdaif tender pile, mooring post
dunvloeibaar thin-bodied, watery
dunwandig thin-walled
duurzaam durable, lasting, proof, resistant
dwardsbalk cross girder /- beam, transverse beam
dwardscontractie lateral contraction
dwardscontractie coëfficiënt Poisson's ratio
dwardsdoorsnede cross section
dwardskracht lateral ~/*shear ~*/*transverse force*
dwardskrachtenlijjn shear force diagram
dwardslijger cross-sill, cross-tie, sleeper, tie
dwardsregel girt
dwardsrek lateral strain

dwarsrichting	lateral direction, transverse direction
dwarsverband	transverse bracing
dwarswand	cross wall, shear wall
dwarswapening	lateral reinforcement / tranverse -, helices

ebbenhout	ebony	esdoornhout	maple, sycamore
edelstaal	high-grade steel, stainless steel	essenhout	ash wood
eegezinswoning	single-family dwelling, one-family house	estrich	screed
eenheidsprijs	unit price, unit rate	etage	floor, storey, story
eenkanaalsysteem	single-duct systeem	etalage	shop window, display window
eenlaags	single-coat, single-layer	eterniet	Eternit, asbestos-cement material
~ (gebouw)	low-rise, one-storey, one-storied	evenaar (hijswerktuig)	spreader beam, strongback, yoke
eenloerschroef	clutch head screw	evenredigheidsgrens	proportional limit
eenzijdig ingeklemd	fixed at one end	evenwicht	equilibrium, balance
éénzijdig ingeklemd balk	cantilever beam		unstatic equilibrium
eerste oppervlakte	moment		static equilibrium
	first moment of area		static equilibrium ground pressure
effectieve lengte	effective length		force equilibrium, state of rest
egaliseerlaag	levelling course, blinding layer		equation of equilibrium
egaliseerpasta	feathering -/ levelling compound		parallel
egaliseren	grade, level, plane		eccentric, off-centre
eigendom (volle)	real property		expand, lengthen
eigenfrequentie	natural -/ resonant frequency		coiled expansion loop, expansion bend
eigengewicht (bel.)	dead -/permanent -/own -/self weight		expansion sleeve, compensating joint
eikenhout	oak wood		exterior, outside
einapparaat	terminal unit		extrusie
eindgevel	end façade, end gable wall, head wall		saddle back
eindgording	subpurlin		
eindklemming	end fixing, end restraint		
eindoplegging	end bearing support, abutment		
eindoplevering	final -/ general acceptance		
eindstaaf	end post		
eindstuk	stop end		
eindveld	end bay, end span, tail bay		
elasticiteit	resilience		
elasticiteitsgrens	elastic limit, limit of elasticity		
elasticiteitsmodulus	elastic modulus /- constant, elongation modulus, Young's modulus		
	deflection curve		
elastische lijn	elastic recovery		
elastische terugvering	elastic strain energy		
elastische vormv. arbeid	elastically restrained		
elastisch ingeklemd	electrician		
elektricien	conduit, kickpipe		
elektriciteitsbuis	power cable, power lead		
elektriciteitskabel	component, member, element, panel		
element	stressed-skin panel		
	modular system, unit-assembly system		
	element methode		
elementenbouw	elbow, knee, bend		
elementenmethode	multicentered elliptical arch		
elleboog, knie	alder		
elliptische korfboog	enamel		
elzenhout	emission		
email (op metaal)	bucket grate		
emissie	energy balance		
emmerrooster	energy requirement, power demand		
energiebalans	energy supply, power supply		
energiebehoefte	English truss		
energievoorziening	garden-wall bond, silver-lock bond		
Engels spant	single glazing		
Engels verband (metselw.)	single-leaf, single-shell		
enkelglas	entrance, entry		
enkelschalig	epoxyhars		
entree	epoxide resin		
epoxyhars	average sound level (afk: Leq)		
equivalent geluiddrukkniv.	boundary fence /- hedge		
erfafscheiding	leasehold tenure		
erfpacht	bay, oriel		
erker	cant bay		
~ (trapeziumvorm)	bonnet roof		
erkerdak	erosion		
erosie			

fabriekscomplex	plant
fabriekshal	factory building /- shed, workshop
fabrieksvloer	industrial flooring, ind. floor covering
facet	bevel, facet, tapered edge
fancoil-unit	fan coil unit
fecalien	faeces, excrements, excreta, soil
felsdak	welted metal roofing
felsen	fold, welt
felsnaad	welt
	<i>dubbele ~</i> double-lock welt
felstang	seamer, seaming plies
fiber glas	fibre glass
fictieve belasting	fictitious load
fietsenstalling	bicycle parking, cycle garage
figuurdraadglas	wired configured glass
figuurzaag	fret saw, bracket saw, coping saw
fijnhout	luxury wood, high-grade timber
fijnkorrelig	close-grained, (toest.stof) fine-grained
fijnmazig	narrow-meshed
fijnregelschroef	fine adjustment screw
filterbron (grondw.)	filter well, well point
filteren	filter (through)
filtreren	filter, filtrate, strain
fineer	veneer, flitch
	<i>geschild ~</i> rotary /- peeled veneer
	<i>gesneden ~</i> carved /- knife /- sliced veneer,
	<i>kops ~</i> cross-grain veneer
fineerlaag	sheet of veneer, lamina
fitting	fitting, socket
flens	flange
	<i>aangelaste ~</i> welded flange
	<i>aangeschroefde ~</i> threaded flange
	<i>aangesoldeerde ~</i> brazed flange
	<i>blinde ~</i> blind flange
	<i>-v/e profielbalk</i> girder boom, girder chord
flenzen	flange, burr up, edge
flexibel	flexible, pliable, pliant
flexibiliteit	compliance
floatglas	float glass, plate glass
folie	foil, (plastic) plastic sheet
formeel (metselw.)	centering, form centre
fornuis	cooker, (cooking) stove
frees	cutter
freesmachine	spindle, shaper
frequentie	frequency
	<i>eigen ~</i> natural frequency
fretboor	bradawl, gimlet
fries	frieze
frijnen	char
fundering	foundation, footing
	<i>- op palen</i> pile foundation
	<i>- op pijlers</i> pier foundation
	<i>- op plaatvloer</i> raft /- slab foundation
	<i>- op staal</i> shallow /- spread /- natural foundation
	<i>verbrede ~</i> cantilever footing
funderingsbalk	foundation beam /- girder, grade beam
funderingsbekisting	foundation forms /- shutter
funderingsdiepte	foot depth, level of foundation
funderingsgrondslag	final grade, foundation base
funderingsplaat	raft, base slab, grade slab
	<i>- met balken</i> beam-and-slab raft
funderingsplan	foundation plan
funderingsput	foundation pit /- dig /- well
funderingsrooster	grating, grillage (footing)

funderingssleuf foundation trench /- ditch

gaas	cloth, (wire) gauze
	<i>fijnmazig ~</i> wire cloth, woven wire fabric
	<i>grofmazig ~</i> wire mesh /- netting
gaffelsleutel	C-spanner, open-ended wrench
galerij	access balcony, exterior corridor
galerijwoning	balcony access house, deck-access flat
galn	reverberation
galveniseren	galvanise
gang	corridor, hallway, passage
garantie	guarantee, warranty
garderobe	cloakroom, checkroom
gasaansluiting	gas main
gasafvoer	gass offtake, gas outlet, gas vent
gasbeton	aerated /- foamed /- cellular concrete
gaskachel	gas heater /- convector
gaskraan	gas cock, gas tap
galenrees	morticer, mortiser
gazon	grass plot, greens, lawn
geaard	earthed, grounded
gebint <het>	couple truss, coupled rafters
gebluste kalk	slaked lime, dry hydrate
gebonden vector	fixed vector
geboorte (metselw.)	skew-back, springing (line)
geborsteld (opp.)	broom finish, scrubbed
gebouw	building
	<i>monumentaal ~</i> edifice
gebouwinhoud	volume of construction
gebouwschil	building envelope
gebrande kalk	anhydrous lime, burnt lime, quick lime
gebrandschilderd raam	stained-glass window
gebruiksbelasting	serviceability load
gecacheerd	covered, laminated
gecapitonneerd	padding
geconcentreerde kracht (pu)	concentrated force
gecontramald	cope-jointed, scribe-jointed
gedemonteerd	knocked-down, disassembled
gedrukte randstaaf	compression chord /- boom
gedwongen trilling	forced vibration
geelkoper	yellow brass
geexpandeerd	bloated, exfoliated
geglazuurd	glazed, semivitrificious
gehamerd (opp.)	enchased
gehard glas	hard glass, heat strengthened glass
gehard staal	tempered steel
gehoordrempel	threshold of hearing
geïntegreerd plafond	integrated service ceiling system
geiser	geyser, circulating heater
gek (draaib.schoorst.kap)	revolving chimney cowl
gekantrecht	dressed, square-edged
gekarteld	knurled, serrated
geklonken	riveted
gelamineerd hout	glued laminated timber, glulam, laminated lumber
gelamineerd spant	glued truss
geleding	(sub)division
geleed	articulated, jointed
geleider (elek.)	conductor, wire
geleiderail	guard bead, guide bar /- channel
geleidingsvermogen	conductivity, conducting power
gelijkbenig	isosceles
gelijkvloers	at floor level, on the same floor
gelijkzijdig hoekstaal	equal-leg angle section
geluidabsorberend	sound-absorbing, noise-controlling
geluidbelastingsniveau	sound exposure level
geluiddemper	dampner, deadener, muffler
geluidhinder	noise nuisance /- annoyance

geluidlek	sound air path, sound gap
geluidsdruk	sound pressure (afk: SP)
	<i>effectieve ~</i> root mean square sound pressure
geluidsreductie	noise abatement, noise reduction
geluidsscherm	noise protection shield, noise prevention wall
geluidswal	noise barrier /- protection, embankment
geluidvoortplanting	sound propagation
geluidwering	noise control, soundproofing
gemarmerd	marbled, veined
gemeentelijk	municipal, town, urban
gemeenteriool	common sewer, municipal services
gemetseld	masoned
	<i>in lagen ~</i> coursed
gemiddelde	
	<i>normaalspanning</i> average normal stress
gemiddelde temp.	mean temperature
gemoffeld	enamelled
generator	generator
geschaafde & geploegde delen (bouwimm.)	planed matchboarding / T and G boards
genormeerd	standardized
geodeet	(land) surveyor
geperst plaatstaal	cold formed steel plate (afk: CF-steel)
geplastificeerd	plastic-coated
gepolijst	polished, glassed
gepotdekseld	feather-edged
geprefabriceerd	prefabricated, prefab
~ (beton)	precast concrete
geprofileerd	fluted, moulded, profiled
geprofileerd deel (+ hol)	scolia board
gepuntlast	spot-welded
gerbergording	articulated purlin, cantilever purlin
Gerberligger	Gerber girder, articulated beam, pin-hinge girder, slung span
	tool
gereedschap	tool chest, tool box, tool chase
gereedschapskist	incline
geren	fluted, grooved, reeded, ribbed
geribbeld	fluted rolled glass
geribt glas	checker plate, channelled plate
geribt plaatstaal	chequered
geruit	planed
geschaafd	dressed and matched,
geschaafd & geploegd	tongued-and-grooved
	surfaced /- wrot /- wrought timber
geschaafd hout	braced, strutted
geschoord	shearardized
gesherardiseerd	ground
geslepen	blue tile
gesmoorde pan	tuck and pat pointing
gesneden voegwerk	countersunk
gesoeverend	stabilized
gestabiliseerd	consolidated
~ (grondwerk)	punched
gestanst	racked, stacked
gestapeld	sheeted trench
gestempelde sleuf (grw.)	casted, poured
gestort (beton)	heaped, piled
~ (puin, zand)	serrated, denticulated, toothed
getand	threaded
getapt	toned
gelint	cambered
getoogd	twisted bar
getordeerd staal	

getuid	guyed, cable-stayed
gevaarlijke stoffen	hazardous material
gevel	façade, frontage, frontside
~ aan achterzijde	backfaçade, back front
~ aan straatzijde	frontage, frontispiece, streeffront
glazen ~	all-glass wall
opgetrokken ~	false ~/- flying front (hoger dan dak)
terugsprong in een ~	setback
Vlaamse ~	lucarne
gevelbalk	front beam
gevelband (metselw.)	cordon, cornice, moulding, string
gevelband (siemetselw.)	ledgement
gevelbekleding	façade cladding /- lining, sheathing
gevelklinker	engineering facing brick
gevelkolom	exterior wall pier/pillar
gevelkraan	hose bib, hose cock, sill cock
gevelpan	barge course tile, verge course tile
gevelplaat	façade panel, cladding panel
~ (tussen ramen)	spandrel, apron wall
gevelplint	wall plinth /- base
gevelpui	window bay, window front, window wall
gevelraam	gable window
gevelsteen	facing brick, facings, face brick
gevelverlichting	floor ~/- front lighting
gevelvlak	bay
geventileerd	aerated, vent
geventileerde spouw	vented cavity
gevlamd (hout)	veined, grained
gewalst plaatstaal	rolled plate, rolled sheet iron
gewapend	armoured, reinforced
gewapend beton	reinforced concrete
gewapendbetonopzetter	follower, long dolly
gewassen grindbeton	scrubbed concrete
gewelf	vault
gewellobouw	arched construction
gewelfd plafond	cambered ceiling, concave ceiling
gewelfribbe	vault rib, formeret
gewicht	weight
	<i>eigen ~</i> dead load /- weight, self weight
	<i>netto ~</i> net weight
	<i>soortelijk ~</i> specific weight, weight density
gewolmaniseerd	tanalith treated
gezandstraald	sandblast, blast-cleaned
giek (kraan)	jib, arm, fly jib
giertput	manure pit
gietasfalt	poured mastic, mastic asphalt
gietbeton	chuted ~/- poured ~/- fresh concrete
gieterij	foundary
gietfout	casting defect /- flaw
gietijzer	cast iron
gietklei	quick clay
gietlood	molten lead
gietmortel	grout, larry, seal mortar
gielvorm	casting form, mould, matrix
gipsblok	gypsum block
gipskartonplaat	(gypsum) plasterboard
gipskartonplaat	dry wall
gladschaven	shoot
glas	glass
	<i>blank ~</i> clear glass
<i>gebrandschilderd ~</i>	stained glass
<i>geemailleerd ~</i>	enamel(l)ed glass
<i>gegoten ~</i>	pressed glass
<i>gehard ~</i>	hard ~/- tempered ~/- toughened glass
<i>gekleurd ~</i>	tinged glass
<i>gelaagd ~</i>	compound ~/- laminated ~/- safety glass

	<i>geslepen ~</i> ground ~/- polished glass
	<i>getrokken ~</i> drawn ~/- rolled glass
	<i>gewalst ~</i> rolled glass
	<i>gewapend ~</i> armoured ~/- wire glass
	<i>ondoorschichtig ~</i> opalescent ~/- opaque glass
	<i>ontspiegeld ~</i> dazzle-free ~/- non-reflecting glass
	<i>vast ~</i> fast ~/- stand sheet, fixed glazing
	<i>voorgespannen ~</i> tempered case-hardened glass
	<i>zonwerend ~</i> anti-sun ~/- solar ~/- reflective glass
glascoating	ceramic coating, (op metaal) enamel
glas-in-lood	leaded glass, lead glazing
glas-in-loodraam	lattice ~/- leaded ~/- trellis window
glaskap	glass skylight
glaslat	glazing fillet /- bead, glass stop
glaslijn	sightline
glaspen	glazier's point, glazing sprig, storm clip
glasplaatsen	glass in, glaze, pane
glasprofiel	glazing tee
glaspuui	glass partition, glazed screen
glasroede	glass bar, sash bar, astragal, muntin
glassponning	rabbet, rebate, sash fillister
glasvezel	fibre glass, glass fiber
glasvezelbeton	fibrous concrete
glasvlies	glass fleece, glass-fibre felt /- mat
glaswol	glass wool /- wadding, spun glass
glaswol deken	glass wool mat
glazenwasinstallatie	cradle machine, roof trolley
glazuren	glaze
glijbekisting	sliding form /- shutters, slip form
glijdingsmodulus	shear modulus of elasticity
glijfolie	slip membrane
glij-oplegging	sliding bearing /- joint
gloeilamp	bulb (light), filament lamp, globe
glooiing	slope, glacis
goederen	goods
goedgekeurd bouwplan	statutory plan
golfkarton	corrugated board
golfplaat	corrugated panel /- sheet
golfvormig	undulatory
goot	gutter
~ (dakgoot)	eaves gutter /- through
goollijst	eaves fascia
gootslabbe	valley flashing
gootsteen	sink (basin)
gootstuk	flashing
gordjingevel	curtain wall, front wall
gording	purlin, roof purlin
~ (grondw.)	waler
	<i>bovenste ~</i> subpurlin
	<i>geraveelde ~</i> trimmed purlin /- spar
	<i>onderste ~</i> eaves purlin
	<i>~ v/e sporenkap</i> rafter-supporting purlin
gordingklos	purlin cleat
gordingloze kap	single roof
graad van statisch onbepaaldheid	degree of statical indeterminacy
graden van vrijheid	degrees of freedom
graafwerkzaamheden	excavation work, earth-/groundwork
graniet	granite
granulaten	aggregates, granular cover materials
gravel	brick chippings, crushed brick
graven	dig, excavate, trench
grenenhout	fir, pine, pinewood
~ (amerikaans)	pitch pine, yellow pine
grensaanwijzing	cadastral survey
grenstoestand	limit state
grenswaarde	threshold limit /- value

greppel	ditch, trench
gresmateriaal	(glazed) vitrified clayware
grind	gravel, pebbles, shingle
grindbeton	gravel concrete
grindlaag	gravel-ballast course, gravel(l)ing
grindnest	gravel pocket, rock pocket
grindzand	hoggin, grit
gripanker	fishplate
grilstralen	grit ~/- shot blasting
groef	groove, furrow, (sleuf) slot
groefdeel	chamfered board
groei kern	centre of urban growth
groepswoning	communal dwelling
grofkorrelig	chiselly, coarse-grained
grond	soil
	<i>opgehoogde ~</i> made-up ground
	<i>opgespoten ~</i> hydraulic filling
	<i>overtollige ~</i> bank material
	<i>slappe ~</i> poor bearing stratum
	<i>vaste ~</i> firm ground
	<i>waterverzadigde ~</i> water-logged ground
grondaankoop	land purchase
grondboring (onderz.)	soil exploration
gronden	prime, pre-coat
grondgelaagdheid	soil stratification
grondkering	earth-retaining wall
grondonteigening	expropriation of land, condemnation
grondopbrengsten	ground rates
grondophoging	earth embankment, soil filling-up
grondprijs	land price
grondstoffen	raw materials
grondverdichter	vibrating pan /- plate
grondverdichting	soil compaction /- consolidation
grindverschuiving	earthslide
grondvlak (v/e gebouw)	floor area
~ (persp.)	ground (projection) plane
	<i>totaal ~</i> gross floor area
grondwater	ground water, sub soil water
grondwaterstand	ground water level/table
gunning	acceptance of tender, contract letting

haak hitch, hook (nail)
 haakanker cramp, hook bolt, wall tie
 haaks square, at right angle
 haarscheur hairline crack
 haarspeld U-stirrup
 hakbeitel boaster, bolster, drove
 hakken pick, hack, peck
 halfbakken half-burnt, soft-burnt
 halfhoutse overkeping half-crossed lapped joint, notching
 halfhoutse sponning shiplap rabbet / ~ edge
 halfsteens half bat thick
 halfsteensverband stretcher ~/longitudinal ~/running bond
 halogeenlamp halide lamp, halogen lamp
 hamerboor hammer-drill, jackhammer
 hamerstuk hammer beam
 handelsmaat stock ~/ stuff ~/ trade size
 handtekenen free-hand drawing, hand sketching
 handvormsteen hand-formed ~/ hand-moulded brick
 handzaag hand saw, crosscut saw, rip saw
 hanenbalk collar ~/ strut beam, span piece
 hanenkam dutch arch, flat arch, straight arch
 hang-en sluitwerk furniture, ironmongery
 hangconstructie suspended construction /~ structure
 hangspant hanging ~/king-post ~/single-post truss
 hangstijl hingeing post, built stile, swinging post
 hardheid hardness, toughness
 hardrubber ebonite, vulcanite
 hardsoldeer brazer, brazing solder
 hardsteen freestone
 hart centre, axis
 hart-op-hart centres (cc's), on centres, center-line
 haspel reel, winder
 hechting bond, adherence
 hechtdraag bondcoat, bonding course, knitting layer, slush coat, tack coat
 hechtlas tack-weld
 hefboom pry bar, (werk)big lever (arm)
 hefplateau elevating platform, cherry picker
 hefvermogen hoisting capacity, lifting power
 heiblok beetle head, drive block, drop pile hammer, monkey, ram, tup
 heien drive in, pile
 heipaal driven pile, ram pile
 hekwerk lattice, trellis
 helling slope
 hellingbaan ramp, ascent, slope
 hellingshoek angle of slope, angle of inclination
 hemelwater precipitation, atmospheric water
 hendel crank
 henneppapier hemp paper, roofing-base paper
 hergebruik recycling, reuse, reemployment
 herinrichten refit
 herpoolhode space cone
 herstel redevelopment, renovation, restoration
 heteluchtverwarming hot-air heating, warm-air heating system
 hiel heel
 hijsbalk hauling beam, hoisting beam
 hijsen hoist, elevate, lift, raise
 hijssoog lifting hook
 hoek angle, corner
 afgeronde ~ eased edge, bullnose
 afgeschuinde ~ bevelled edge / ~ side
 haakse ~ right angle
 inspringende ~ reentrant corner

scherpe ~ acute angle, (vloer) squint quoin
 stompe ~ obtuse angle
 hoekanker knee brace
 hoekbeschermer angle ~/ plaster ~/ corner bead
 hoekijzer angle bar, angle section
 hoekkeper hip, angle ridge, piend
 hoeklas fillet ~/ corner weld, angular joint
 hoeklat boaster, quarter hollow
 hoekoplossing corner bond, quoin bonding
 hoekstaal angle iron, angle bar
 hoekverdraaiing angular rotation, angular deflection
 hol-en-dol verbinding joggle (jointing), joggled concave joint
 Hollands kapspant Dutch truss
 holle bouwsteen cavity block, hollow block
 holle-buis paal steel tubular pile
 holle pan pantile, bent tile
 holte cave, cavern, cavity
 homogeen homogeneous
 honorarium fee
 hoofdafsluiter service valve, king valve
 hoofdas principal axis
 hoofdlijger main girder, principal girder
 hoofdspanning principal stress
 hoofduitvoerder builder's manager, superintendent
 hoofdwapening principal reinforcement
 hoogbouw high-rise building
 hoogovencement blas-furnace cement, slag cement
 hoogrendementketel high efficiency boiler
 hoogte height, level, altitude
 ~ boven maaiveld level above grade
 vrije ~ height clearance, headroom, headway
 hooglekaart contour map
 hoogwaardig high-grade
 hor insect wire, screen wire
 hordeur screen door
 horizontale belasting horizontal load
 horizontale bemaling shallow well
 hout wood
 beslagen ~ hewn-squared timber
 courant ~ common timbers, stock lumber
 gekantrecht ~ dressed ~/ square-edged timber
 gekloofd ~ cleft timber
 gelamineerd ~ glued laminated timber, glulam
 geperst ~ compression wood
 geploegd ~ compression wood
 geschaafd ~ wrot (timber), surfaced timber
 geschild ~ disbarked wood
 kops ~ cross-cut wood, end-grain wood
 ovendroog ~ kiln-dry lumber /~ timber
 veredeld ~ modified wood
 houtbeton sawdust cement, Lignacite
 houtbewerking woodworking
 houtdraaiwerk turnery, turning
 houten
 ~ balk balk, baulk, timber beam
 ~dekvloer block flooring
 ~klos bearing block, angle cleat
 ~kolom timber stanchion
 ~plint skirt board, baseboard
 ~regelwerk common grounds, rough ground
 ~schot batten wall, board partition, timber-lined shed
 ~vloerconstructie timber joist floor
 ~vlonder boardwalk, duckboard, strake wood cutter
 houtrees

houtgraniet flooring cement, magnesite compound, xylolite
 houtimpregnering steeping of wood, wood preservation
 houtlas scarf, wood joint
 houtlijm joiner's adhesive, timber glue
 houtmaat scantling gauge
 houtmeel wood floor, sawdust
 houtnerf wood grain, ligneous fibre
 houtrot doat, dote, rotting
 houtsortering timber ~/ lumber grading, grading rules
 houtspaen wood chip, wood sliver
 houtvezelbeton wood fibre concrete
 houtwol woodwool, wood-shaving, excelsior
 houtworm death-watch beetle, woodworm
 houtzagerij sawmill, siding mill
 huis house, home
 alleenstaand ~ detached
 ~ met tuin homestead, homestead
 prefab ~ prefabricated ~/ ready-built house
 hulpconstructie auxiliary construction, provisional structure
 hulpspant auxiliary rafter, cushion rafter
 hulpstuk (install.) appendage, appurtenance
 huls thimble
 huur rent
 huurder tenant
 hypotheek mortgage
 hypparschaal hypar, hyperbolic paraboloid roof

I-balk	H-beam /-girder, I-beam /-girder, double T-beam, american standard beam
iepenhout	elm(wood)
ijken	calibrate, gauge, gage
ijzer	iron
ijzerhoudend	ferruginous
I-ligger	I-beam /-girder, flanged beam
impregneren	impregnate, penetrate, saturate, soak
~ (hout)	paynize, temper
impuls (mv)	linear momentum
impulsmoment (r x mv)	angular momentum
in het werk meten	take off dimensions
inbetonnen	let into concrete, concrete in
inboor (stift) paumelle	butt ~-/ mortised butt ~-/ spigot hinge
inbouwdoos (elek.)	flush socket, recessed socket
inbouwelement	built-in component, fitting
inbouwmaat	daylight
inbouwsysteem	unit-assembly system
inbusbout	socket ~-/ socket-head screw
inbusleutel	hex driver, Allen key
incrustatie	incrustation, encrustation
indammen	dam
industrie	induction
industriële afvalwater	industrial sewage
industriële bouwmethode	industrialized building system
ineenschuiven	interlace
infiltratie	infiltration
infiltratieverlies	exfiltration loss
infrezen	channel, groove
ingang	entrance, access, entryway
ingebetonneerd	embedded in concrete
	~e ligger filler beam
ingeklemd	clamped, jammed home, secured
ingeklemd (statica)	moment resisting, rigid
	gedeeltelijk ~ partially restrained
	tweezijdig ~ restrained at both ends
ingeklemd-opgelegde ball	fixed-simple beam, propped cantilever beam
ingraving (grondw.)	excavation, cutting
inheems	indigenous, native
inheien	drive in, ram in
injectieermethode	grouting system
injecteren	inject, grout in, grout up
inkalven	cave in, fall in
inkappen	chisel, mortise, mortice
inkassen	chase bond, key in
inkassing	bonding pocket
inkepen	notch, jag, kerfing
inkeping	kerf, indent, nick, groove, jag
inkerven	jag, nick, score
inklemmen (met klem)	clamp
~ (zich vastklemmen)	jam, stick
~ (statica)	restrain, constrain
inklemming	restraint
	buigvaste ~ built-in mounting
	stijve ~ rigid restraint, complete restraint
inklemmingsmoment	fixing(-end) moment, restraint moment
inklinken (grondw.)	sink, subside, yield
inklinking (grondw.)	ground consolidation, soil settlement
inlaat (riol.)	inlet, intake, gully
inleglijst	bolection moulding
inlegstuk	insert, patch, shim
inschrijven	bid, offer, tender

inschrijver (aanbest.)	bidder, tenderer
~ (onderaannemer)	subbidder
	onderhandse ~ invited bidder
inschuimen (isol.)	foam in
insnoering	necking
inspringen	recess
installatie (elek.)	electric installation
~ (sanitair)	plumbing system, utility
installatiekanaal (elek.)	raceway
installatiekast (gwe)	mechanical core, utility core
installatieruimte	machinery ~/ utility ~/ plant room
insteekverdieping	entresol, half ~/ intermediate storey, mezzanine
interieurontwerp	interior design
invallend licht	incident light
invalshoek	angle of incidence
invoerkabel (elek.)	drop wire, lead-in cable, main lead
inwateren (grondw.)	fill hydraulically
~ (vocht in constr.)	seep in, infiltrate, trickle in
inwendige arbeid	internal work
inwendige condensatie	interstitial condensation
inwendige kracht	internal force
inwendig product	dot product, scalar product
I-profiel	I-section
isolatie	insulation
~ (van buizen)	pipe lagging /- insulation
isolatiedeken	insulating bat /- mat /- quilt
isolatieglas	thermopane ~/ insulating glass
isolatielaag	insulating course, insulation layer
isoleren (elek./therm.)	insulate
~ (pijp/buis)	lag
isometrie	isometry
isotroop	isotropic

jaloëzie	jalousie, roller blind, Venetian blind
jalon	boning rod, range pole, banderolle
japanner (stortkar)	buggy, concrete cart
juk	yoke, (steiger) trestle
jukbalk	straining ~/ strutting piece
jukspant	Dutch truss
jute	jute, indian grass

kabel steel rope, wire cable /-rope
 ~ (touw) cable, rope, guy rope
 dal- ridge cable
 kam- edge cable
 rand- boundary cable
 kabeldoorvoer (elek.) cable bushing
 kabeldoorvoer/-zoom (tent) cable sleeve/pocket
 kabelgoot cable channel /- duct /- trough
 kabelmantel cable sheath /- jacket
 kachel stove
 kadaster cadastre, land register, plat
 kademuur quay wall
 kalenderen (fund.heiwerk) blow counting
 kalk transom (bar)
 kalk lime
 gebluste ~ slaked lime, dry hydrate
 gebrande ~ burnt lime, quicklime
 hydraulische ~ hydraulic lime, blue lias lime
 ongebluste ~ unslaked /- caustic /- anhydrous lime
 kalkcementmortel cement-lime mortar, compo mortar
 kalkmortel lime sand mortar
 kalksteen limestone, chalky stone
 kalkzandsteen sand-lime /- flint-line brick, chalky sandstone
 kalkzandsteenelement sand-lime block
 kamer room
 kamerscherm draught screen, partition screen
 kamkabel (tentconstr.) edge cable
 kanaalplaat hollow core floor slab, core /-cavity slab
 kanaalsysteem ducting, ductwork
 kant aris, edge
 ~ (kantwerk) lace(work)
 ~ (triltoir) curb, edge
 ~ (vlak) side, face
 kopse ~ cross-cut end, butt end, grain-end
 opgezette ~ upstand, upturn
 ronde ~ rim
 schuine ~ bevel, bevelled edge, chamfered edge
 kanteleur glide-over door, overhead door
 kantelen overturn, turn over
 kantelmoment overturning moment
 kantgording eaves purlin, pole plate
 kantoor(ruimte) office
 kantoorgebouw office building /- block
 kantrechten dub, list, trim, square up
 kantschuif extension /- flush /- lever bolt
 kanstroom banding, edge strip, lipping
 kap (structure)
 twee-onder-één ~ semi-detached houses, double-dwelling, double-house, duplex apartment
 kapbeugel roof frame strap
 kappen fell
 kartelen serrate, indent, knurl, notch, tooth
 kartering (landm.k.) mapping
 karton cardboard
 kastanjehout chestnut wood
 katrol pulley (block)
 kavel parcel, lot, plot, allotment
 keep(verbinding) toe jointing
 keerhol throating, weather check
 keermuur retaining /- breast /- revetment wall
 lage ~ dwarf wall, terrace wall
 massieve ~ gravity (retaining) wall
 keermuur upstand wall

keet shantly, site hut
 keg wedge
 keilbout key /- expanded /- wedge bolt, redhead
 keilplug expansion fastener, straddling dowel
 kelder cellar, basement
 kengetal characteric number
 kenmerk (distinguishing) mark
 keramiek ceramics, clayware
 kerfslagproef notched-bar test, impact test
 kern core
 ~ (v/e dsn - statica) kern
 kernhout heartwood, duramen
 kernmoment (statica) kern point moment
 kernstraal kern line
 kersenhout cherry
 kesp (fund.) string piece, capping (piece), head beam
 ketel boiler, calorifier
 kettingboog catenarian arch
 kettinglijn catenary (curve), funicular curve
 keuren check, inspect, test
 keurmerk quality mark, test mark
 kier chink, crevice
 kierdichting fill-in chinks, stop-up-a-chink
 kierventilatie slit ventilation
 kiezelbak gravel catchment
 kiezeldak gravel roofing
 kikker (grondw.) jumping /- leaping frog
 kikkerperspectief ground level perspective
 kim keyway
 kinderbalk bridging joist, secondary beam
 kinderkopjes cobblestone pavement
 kippengaas chicken wire, wire mesh, woven wire
 kistbalk box beam, hollow beam
 kit lute, mastic, putty, seal, sealant
 kitband mastic tape
 kitloze beglazing dry glazing, patent glazing
 kitloze voeg dry joint
 kitspuit caulking /- mortar /- pressure gun
 klamp clamp, batten, cleat, tab, ledge
 klampplaat brick-on-edge course, rolock, rowlock
 klampnagel clout nail
 klang tack, tingle, cleat, ear, latchet
 klant client, principal
 klapdeur swing door
 klauw claw, (anker) anchor fluke, (dauvel) lug
 kleef bonding, cementation, gluing
 ~ negatieve ~ downdrag, negative (skin) friction
 ~ positieve ~ positive friction
 kleefkracht adhesive force
 kleefpaal friction pile
 kleefweerstand friction action, frictional resistance
 klei clay, argil
 kleikorrels (geexp.) bloated clay pellets, bloated /- exp. Slate
 kleilaag clay bank, clay layer, clay stratum
 kleembeugel fixing bracket
 kleemverbinding clipped connection
 klepscharnier back-flap hinge
 kleurechtheid colour fastness, colour stability
 kleurstof colouring material, dye stuff, stainer
 klezoor quarter bat, closer, one-quarter brick
 klikverbinding snap-on connection
 klimaatinstallatie HVAC (heating ventilating airco plant)
 klimbekisting climbing /- cantilever formwork, jump form, slip form
 klimijzers acces hook, climbing irons, foot iron

klink door handle /- catch, dog, latch
 klinken rivet driving
 klinker (baksteen) engineering brick, blue brick, clinker
 ~ (betonsteen) clinker block, cement clinker
 ~ (beslating) paving brick, paver, double format pavior
 klinknagel rivet
 kloostergewelf groined vault, cloister vault
 kloppoor impact drill, percussion drill
 klos block
 houten ~ cleat, dog, timber block
 kloven cleave
 kneedbaar plastic, workable
 knelverbinding squeezed joint
 knieschot knee wall, breast lining
 knik (in buis, draad) bend, kink, twist
 ~ (in een dak) roof curb
 ~ (statica) (dynamic) buckling
 knikbelasting buckling loading, collapsing load
 kniklengte buckling length, effective length
 knikvergelijking buckling equation
 knoest knot, knag, knurl
 knoop (scharnier) knuckle, hinge joint
 knooppunt node, joint, truss joint
 knooppuntmethode method of joints
 knooppuntverplaatsing nodal displacement
 koellast cooling load
 koepel dome, cupola
 koevoet claw bar, crowbar, gablock, jemmy, pry bar, pinch bar, wrecking bar
 kogelbaan projectile motion
 kogelscharnier ball-bearing hinge
 koker box, casing, trunk
 kokerbalk box beam /- girder, hollow beam
 kokerligger box beam /- girder, hollow girder
 kokerplaat core slab, cored panel
 kokerprofiel box /- hollow section, square tube, alk: CHS, RHS
 kolom column, pillar, stanchion, upright
 kolomkop column capital /- head
 ~ (paddestoelvloer) flared column head
 kolomplaat column drop panel
 koof cove, concave moulding, round corner
 kooi (lift) hoisting cage, lift car, elevator car
 koord cord, rope
 kop (mets.w.) header, binder, bonder, half bat
 ~ verzonken ~ countersunk head
 koper copper
 koperroest verdigris
 koppel couple
 koppellanker strap anchor
 koppelarm (statica) force arm, moment arm
 koppelbalk binding /- joining beam
 koppelbus bush
 koppelstaaf tie-rod, tie-bar
 koppelstang coupling rod, drawbar, tie-bar
 koppensnellen (fund.) piles cut-off
 kops cross-grained
 kopspijker clout
 kopsvlak cross cut end, terminal face
 korbeel angle brace, angle tie, kneebrace
 korrelgrootte grain size, particle size
 korelsamenstelling granulometric composition, particle gradation
 kosten costs, expenses
 ~ (stelpost) cash allowance, contingency sum

geraamde ~ cost estimate
 onderhouds~ maintenance costs
 vaste ~ fixed costs
 kostenbegroting construction cost estimate
 kostenbepaling cost control, quantity survey
 koud tegen elkaar abutting, butted, square joint
 koudebrug thermal bridge, cold bridge
 koudeval (cold) downdraught
 koudgewalst cold-rolled
 koudgezet profiel cold-formed section (CFS, CF-steel)
 kozijn block /- solid frame, case, casing
 kozijnanker clamp, fixing clamp /- lug, frame anchor, clip, frame tie
 kozijnagmaat (deur) door opening
 ~ (raam) window opening
 kozijnagstuk (deur) door lining, door casing, jamb lining
 ~ (raam) window lining, window casing
 kozijnhout casing /- framing stuff, scant(l)ings of frame
 kozijnonderdorpel (deur) door saddle, door sill
 ~ (raam) window sill
 kozijnspanning rebate of the frame
 kraagligger cantilever beam /- girder
 kraagsteen bracket console, corbel (brick), stone bracket, oversailing
 kraalprofiel reeding
 kraan (hijz-) building crane, derrick
 ~ (gasleiding) gas cock, gas tap
 ~ (waterleiding) faucet, tap
 kraanbrug crane bridge, gantry (crane)
 kraancapaciteit crane capacity
 kraanhaak crane /- handling /- load /- lifting hook
 krabwerk devilling, scraped finish /- rendering
 kracht force
 afschuivende ~ shearing force
 ~ ontbinden ~ decompose a force
 tegenwerkende ~ counter force, opposed force
 zijdelingse ~ lateral force
 krachten:
 in één vlak coplanar forces
 zelfde werklijn collinear forces
 werklijnen door 1 punt concurrent forces
 krachtdiagram diagram of forces, polygon of forces
 krachtenmethode force method
 kramerijen ironmongery, hardware
 kramplaat bulldog plate, connector, toothed plate
 kranlijst cornice
 krasvast scratchproof, scratch-resistant
 krimp contraction, shrinkage
 krimpmaat amount of shrinkage, rate of shrinkage
 krimpnaad contraction joint
 krimpnet shrinkage mesh reinforcement
 krimpnscheur crack due to contraction
 kritieke belasting critical load
 kromgestrokken warped, bent, crooked
 krommen warp, crook, curve, inflect
 kromming curvature
 kromtemiddelpunt center of curvature
 kromlestaal radius of curvature
 kromtrekken become warped, distort
 krotwoning slum dwelling
 kruip creep, creeping
 kruipen creep
 kruipgat crawl hole, manhole
 kruipruimte crawl space, creeping space
 kruipspanning creep stress

kruisbalk	crossbeam, transversal beam
kruisgewelf	cross-vault, groined vault
kruising (bouwimm.)	half-lap joint, halved joint, half splice
kruiskopschroef	recessed-head ~ / Philips head screw
kruisnet	two-way reinforcement
kruispen	barbed dowel pen, star dowel
kruispunt (verkeer)	crossing
kruisschoor	herringbone strut, croww pawl
kruiwagen	barrow, jib barrow, wheelbarrow
kuberen	cubing
kubus	cube
kunsthars	plastic resin, synthetic resin
kunstlicht	artificial lighting
kunststeen	artificial stone, cast stone, patent stone
kunststof	synthetic (material), plastic
kunststofcoating	plastic coating
kunststofmortel	compo, plastic binder /- cement
kunststofschuim	cellular plastics, expanded plastics
kurk	cork
kwadratisch opp. moment	area moment of inertia
kwakeitscontrole	quality control
kwakeitsklasse	grade, class
kwartergezaagd	quartered, vertical grain
kwart rond	ovolo mould, quarter round
kwartsglas	quartz glass, silica glass, fused silica
kwartszand	quartz sand, silica sand
kwast	knot, knurl
kwel (grondw.)	(under)seepage, percolation
kwelwater	percolating water, infiltration water

laadperron	loading platform, loading ramp	lekdorpel	cill, sill
laagbouw	low (rise) building, flat block	~ (houten)	wooden window sill
laagdikte	course height	~ (kunststenen)	window sill slab
~ (schildenwerk)	build, coat thickness	~ (metalen)	external sheet metal sill
laagopbouw	series of layers	lekdoorprofiel	water bar, weather bar, weather drip
laagveen	bog, fen	lekgoot	tray
laadder	(peg) ladder, steps	lekkage	leakage
laden	load	leklijst	drip cap, water bar, weather bar
lambrisering	panelling, wainscoating	lemen wand	cob wall
lamel (jalouzie)	slat	lengte	length
~ (lamellenbuis)	fin, grill	~ (ontwikkelde)	developed length
~ (parketvloer)	slat, strip, wood laminate	~ (totale)	overall length
laminaatvloer	compressed wood laminate flooring	~ (werkelijke)	actual length, true length
landgoed	country estate	~ (werkende)	effective ~ / working length
landhuis	cottage, country house, ranch house	lessenaarsdak	half-span ~ / lean-to ~ / mono-pitch roof
landmeetkunde	(land) surveying, plane surveying	leuning	hand bar, wall hand rail, parapet
langebanksysteem	long-line method	licht	lighting, illumination
langsdoorsnede	longitudinal section	~ (diffuus)	diffuse light
langsdrager	rail bearer	~ (gedempt)	subdued light
langsgevel	side wall	~ (gericht)	directional light
langshout	along-the-grain wood	~ (indirect)	indirect ~ / reflected ~ / second light
langsnaad	edge joint	~ (invallend)	incident light
langsrek	axial strain	~ (verblindend)	dazzling ~ / glaring light
langvoeg	bed joint, lane joint	lichtdruk	diazo, dyeline, print, trace
langwapening	longitudinal ~ / principal reinforcement	lichttecht	fast to light, daylight proof
langwerpig	longish, oblong	lichtinval	incidence of light
lantaarn	clerestorey	lichtkap	monitor (roof), roof lantern
lariks	larch, tamarack	lichtkoepel	dome light, domed roof-light
las (kunststoffolie)	seal, weld	lichtnet	light mains
~ (houtconstr.)	halved ~ / tabled ~ / hal-lap joint, scarf	lichtopening	aperture, day, light (opening)
~ (staalconstr.)	scarfed joint	lichtsterkte	candlepower, luminous intensity
	<i>schuine ~</i>	lichtstraat	lighting row
	<i>stompe ~</i>	lier	winch, windlass, hoist
		lift	elevator, hoist
lasbrander	blow pipe, welding torch, acetylene torch	liftschacht	lift shaft, hoistway, lift well
laskoppeling (staalconstr.)	splice	ligger	girder
last	burden, weight / load	ligger (kleine oversp.)	beam
lastenverdeling	load distribution, load spreading	~ (gelamineerd houten)	glued beam, glulam girder
lat	fillet, lath, batten	~ (in steigerbouw)	ledger
latei	head, header, lintel, lintol	~ (meerdere steunpunten)	continuous beam, running girder
lateibalk	lintel, bressummer, summer header	~ (twee steunpunten)	single beam, simply supported beam
lattenwerk	lattice, trellis work	~ (samengesteld)	composite beam, compound girder
lawaai	noise	~ (trapeziumvormige)	hip pitched truss, hip truss
lawaai-belasting	noise exposure	~ (uitkragende)	cantilever girder
lawaai-bestrijding	noise abatement, noise control	~ (uit platen)	plate girder
lawaai-zone	nuisance zone	~ (vakwerk)	truss ~ / frame girder, trussed beam
ledenradiator	radiator, rad	~ (vrijdagende)	cantilever, cantilever beam, corbel beam, semibeam
leem	loam	liggerhoogte	girder depth
leemmortel	clay mortar	ligging	location, aspect, position, site
legenda	key, legend	lijf (I-prof)	web
legeren	alloy	~ (T-prof)	stalk
lei	roofing slate, healing stone	lijmen	glue, bond, paste
leiding	conduit, ducting, line	lijmnaad	glue line, joining point
~ (elek. bedrading)	wire, cable, line, wiring	lijmvlak	glue line
~ (elek. aansluiting)	in-lead, lead	lijnbelasting	linear loading
~ (water/gas binnen)	conduit	lijnrek-toestand	uniaxial strain state
~ (sanitair)	pipe	lijnspanning-toestand	uniaxial stress state
leidingbeloop	pipe-run, piperun	lijst (decoratief)	band fillet, beading, moulding
leidingdoorvoer	pipe culvert		<i>gevelband</i>
leidinggoot	floor trench, raceway, service duct		<i>omlijsting</i>
leidingkoker	cable duct, raceway	lijzijde	lee side
leidingsleuf	pipe ~ / utility ~ / service trench	lineaire belasting	line load, strip load, knife-edge load
leidingstelsel	pipng, run	linoleum	linoleum
leidingvloer	aces flooring system		
leiendak	slated roof, slate covering		
leisteek	slate		
lekbak	drip sink, drip-tray		

lintbebouwing	ribbon -/ string development
liplas	half joint, half splice, halving joint
loef	square cogging
loefzijde	weatherside
loggia	recessed balcony
loket (getrapt)	stepped lead flashing
~ (loden)	lead apron, (lead) flashing
lood	lead, (schietlood) plumb, plummet
	<i>uit het</i> ~ out-of-perpendicular, out-of-square
loodlijn	perpendicular, normal, plumb line
loodmenie	red lead, lead primer, minium
loodrecht	plumb, perpendicular, vertical
loods	shed, shed structure, shelter
loodslabbe	lead flashing, cover flashing
loopbrug	catwalk, walkway, footbridge
loopkraan	gantry (crane)
looplijn	centre line, line of travel, pitch line
loopsteiger	gangway
loskoppelen	detach, disconnect, unlink
lossen (bekisting)	release, strike, strip
~ (mal)	demould
lozen	discharge, drain off, flow off
lucht	air
	<i>afgewerkte</i> ~ exhaust -/ exit -/ foul -/ stale air
	<i>ingesloten</i> ~ dead air, entrapped air
	<i>verzadigde</i> ~ saturated air
	<i>vochtige</i> ~ moist air
luchtaanzuigopening	air inlet, air intake
luchtafvoerrooster	exhaust grating, exhaust grille
luchtbehandeling	air conditioning
luchtbevochtiger	air humidifier
luchtdicht	air proof, air tight
luchtdoorlatend	air permeable
luchtgeluid	airborne noise, air-borne sound
luchtgordijn	air curtain
luchttoevoer	aeration, air input, supply air
luifel	canopy, dorse, hood, marquee, pentice
~ (doek)	awning, sun blind, sun screen
luik	hatch(way)
luxaflex	slat screen, venetian blinds

maaiveld	grade, ground level
maaiveldhoogte	grade level, ground level, surface level
maaswerk	tracery, tracework
maat	dimension, measure, size
	<i>absolute</i> ~ absolute measure
	<i>binnenwerkse</i> ~ clear dimension
	<i>blijvende</i> ~ neat size, finished size, net size
	<i>ingeschreven</i> ~ indicated dimension
	<i>inwendige</i> ~ van buizen bore, inside diameter
	<i>niet aan de</i> ~ out of true
	<i>nominale</i> ~ nominal -/ real dimension
	<i>op</i> ~ <i>gemaakt</i> gauged
	<i>werkelijke</i> ~ actual dimension, actual size
maatafwijking	deviation, margin, off-size dimension
maateenheid	unit of measurement
maatlat	drawing rule, ruler
maallijn	dimension line
maatpijl	arrow head
maatrooster	dimensional grid
maatstelsel	system of units
maatsysteem	measuring system
maatvast	dimensionally stable
maatvoering	dimensioning, measuring
maatwerk	made to measure
machinekamer	power room
machinepark	equipment fleet
magneetsluiting	magnetic catch
mahoniehout	mahogany
maisonette	duplex apartment, maisonette
makelaar	real estate agent, (houtconstr.) joggie post
mal	template, templet, profile
mansarde	attic, mansard
mantelbuis	pipe sleeve, sleeve piece, thimble
maquette	model, mock-up
markies	awning, dutch canopy, sun blind
marmar	marble
marmergips	Keene's cement
marmemitatie	scagliola
maskering	masking
massa	mass
mastiek	mastic
mastiekdakbedekking	liquid roofing, tar roofing
mastiekhoeke	asphalt fillet, cant strip
materiaal	material
matglas	diffusing -/ frosted -/ matt-surfaced glass
matglazuur	eggshell
malteren (schilderw.)	flatten
meergezinswoning	semidetached dwellings
meerpuntssluiting	multipoint fastening
meetband	builder's tape, measuring tape
meetinstrument	measuring device
meetkunde	elementary geometry
meellijn	datum line, reference line
~ (landmeetkundig)	survey traverse
meetpen	taping pin
meetpunt	reference -/ fiducial -/ measuring point
meewerkende breedte	effective width
membraan	diaphragm, membrane
mengen (mortel)	mix, prepare
~ (stoffen)	blend, mix
~ (vloestof)	agitate
~ (beton omzetten)	spade
mengsel	mixture, batch, mix
menie	red lead (oxide), minium
meranthout	red meranti
mergel(steen)	marl (stone)

massamiddelpunt	center of mass
massatraagheidsmoment	mass moment of inertia
massatraagheidsproduct	product of inertia
maximale spanning	ultimate stress
membraanspanning	membrane stress
meskant bezaagd	dressed, square edged
messing (metaal)	(yellow) brass
~ (liimm.)	(straight) tongue
messing-en-groef	tongue and groove
metaalgaas	metal clothe, wire cloth, wire gauze
metalen dakplaat	profiled metal roofing
	<i>~ gevelbekleding</i> metal siding
	<i>~ kozijn</i> metal frame
meten	measure, gauge, gage
	<i>buitenwerks</i> ~ measure out to out
	<i>op het oog</i> ~ span
meterkast	meter box/cubicle, distribution cabinet
metselaar	bricklayer, mason
metselen	brick(laying), mason
metselverband	bond
metselwerk	masonry, bricking, stonework
gepleisterd	rendered brickwork
~ in natuursteen	ashlar masonry, ashlar
opgaand	above-grade masonry
schoon	exposed brickwork
uitkragend	bearing-out masonry, corbelling
vuil	backfilling, backing-up
	<i>meubelplaat</i> blockboard, core plywood, laminboard
middelpunt	center
middelp.vliedende kracht	centrifugal force
midden	center, centre
middensteunpunt	central support
middenstijl	kings post
milieu	environment, milieu
milieuvriendelijk	environmental safe
minerale wol	rock wool, mineral fiber, silicate cotton
modelbestek	standard bill of quantities
modelbouwverordening	preliminary Building Regulations
modulaire coördinatie	modular co-ordination, dimensional framework
modulaire verhouding	modular ratio
moer	screw nut, nut washer
moerbalk	main -/ primary -/ principal beam
moerbout	nut(ted) bolt
moerdraad	internal thread, female thread
moersleutel	wrench, (open-end) spanner
mo	coupling, muff, socket
moffelen	bake, enamel, muffle
mo'fverbinding	bell-and-socket joint, spigot joint
moment	moment (of a couple)
	<i>buigend</i> ~ bending -/ sagging moment
	<i>opbuigend</i> ~ in ligger hogging -/ support -/ negative moment
	<i>opredend</i> ~ actual moment
momentenlijn	bending moment diagram, moment curve
momentenvereffening	moment distribution
momentsleutel	torque spanner, torque wrench
momentvast	rigid
monoliet	monolithic
montage	installation, assembly, erection, rigging
	<i>~ vooraf</i> preassembly
montagebouw	prefabricated -/ dry construction, system building, industrialized constr.
montagepakket	knocked-down assembly

montagevloer (compu)	access floor system, computer floor
montagewand	dismountable partition wall
monteren	assemble, construct, erect, fit in, fit up, install, mount, rig
mortel	mortar
schrale ~	lean ~/ lean-mix ~/ poor mortar
vette ~	fat ~/ rich mortar
mortelinjectie	grout injection, grouting, mortar intrusion
multiplex muur	multi-ply wall
	<i>blinde ~</i> blank ~-/ dead wall
	<i>grondkerende ~</i> earth retaining wall
	<i>hellende ~</i> battered ~-/ cant ~-/ talus wall
	<i>lage ~</i> dwarf wall
	<i>ondervangen ~</i> underpinned wall
	<i>vrijstaande ~</i> free wall
	<i>woningscheidende ~</i> party ~-/ strong wall
muurafdekking	(wall) coping
muuranker	wall anchor /- tie, anchor slot bolt
muurplaat	wall plate, eaves plate, rising plate
muurverstijving	diaphragm wall

naad	seam, joint
	<i>flens-</i> flange weld
	<i>las-</i> weld
	<i>lijm-</i> joining point
	<i>open ~</i> hollow ~-/ open joint
naaldhout	softwood, coniferous wood, pine wood
nabehandeld	aftertreated, cured
nabehandeling	aftertreatment, seasoning, curing
nabewerken	aftertreat, finish, retreat, touch up
nachtelijke uitstraling	nocturnal cooling, night-time cold radiation
nagalm	reverberation, echo
nagel	nail, wired nail, spike
nagelen	nail, tack
nagelgat	rivet hole
nagelplug	hammerfix
naklinken (grondw.)	subside, yield
naregelen	readjust, relevel
naspannen	posttension
natuurlijke ventilatie	natural aeration /- ventilation
natuursteen	cut ~/ natural ~-/ quarry stone
	<i>~ in muurverband</i> ashlar, squared stone
	<i>gebouchardeerd ~</i> niddged ~/ niggid ashlar
nauwkeurigheid	accuracy
natuursteen kei	sett
nauwkeurig	accurate, precise
neerslag	rainfall, precipitation
negatieve kleef	downdrag, negative skin friction
negge	day, nude of a frame
neopreen	neoprene
nerf	grain, wood fibre
netto	net
neus (betonwerk)	boot
neusijzer	fascia bracket
neuslatei	boot lintel
neutrale as	neutral axis
niet	staple
nieten	staple, tack-rivet
niet-elastische	
	<i>vervormingsarbeid</i> inelastic strain energy
nietverbinding	clamp joint
niet zuivere buiging	nonuniform bending
nis	niche
nisbus	thimble, niche pipe
niveau (druk)	gauge, level
~ (water)	level, table, water surface
~ (akoust.)	sound pressure level
nivelleerschroef	levelling screw
nivellieren	level, take level, flush
nok	cog, nib, stub, (v/o dak) ridge
nokbalk	ridge ~/top beam
noklijn	ridge line, rider strip
nokpunt	apex, hip ridge
noodtrap	escape stair, emergency staircase
nooduitgang	fire exit, emergency door
noorse pui	two-storeyed timber facade, large-panel timber wall
norm	standard
normaaldoorsnede	typical cross section
normaalformaat	normal format, brick gauge
normaalkracht	normal force, axial force
normaalspanning	normal stress
normaalspanning (elek.)	standard voltage
normaalvorming (-rek)	normal strain
normalisatie	standardization, normalization
normblad	standard specification

normvoorschriften	official directive, standardized directive
notenhout	butternut, nutwood, walnut wood
nullijn	zero line
nulstaaf (vakwerk)	unstrained member
nuttig vloeropp.	effective floorarea, useful floor space
nuttige belasting	imposed ~-/dynamic ~-/incidental load
nylon	nylon

oergrond hard pan, hard soil layer
 offerte base bid, offer, proposal, tender
 olijf ogee, talon moulding
 olijfboog reversed ogee-arch
 okoumehout gaboou, gaboou mahogany, okoume
 oliesteen oilstone, hone
 ombouwen convert, rebuild, reconstruct
 ~ (rondom) enclose
 ombuigen bend
 omflenzen border, burr up, edge
 omgeving environment, surrounding area
 omgevingslawaai ambient noise, environmental noise
 omgevingstemperatuur ambient temperature
 omheining (boundary) fence, fencing
 omhullend oppervlak envelope
 omhulling coat, covering, enclosure, envelope
 omkasting casing, encasing, housing
 omleiding bypass, bypassing
 ~ (verkeer) detour, diversion
 omlijsting dressing, surround, enclosure
 omloopgeluid sound transmission by air path
 ommanteling encasing, encasement, jacket
 omranding framing, skirt, surround, border
 omtimmering lining
 omtrek outline, contour, perimeter
 omtrekspanning circumferential stress, hoop stress
 omvang extent, size
 omvormen convert, remodel, reshape
 omweggeluid flanking transmission
 onafgewerkte vloer sub-floor, blind floor
 onbekleed unlined
 onbepaald indefinite, undetermined
 onbewoonbaarheidsverkl. condemnation
 onbrandbaar condemnation
 onderaannemer subcontractor
 onderaanneming subletting
 onderaanzicht bottom view, underside view
 onderbouw substructure, understructure
 onderdorpel cill, sill, piece, ground plate
 ondergrond subgrade, subsoil, basement soil
 ondergrondse aanbested. negotiated contract, restricted tendering
 onderheien underpin with piles
 onderhoud maintenance, servicing, unkeeping
 onderhouden maintain, attend, keep up, service
 onderhoudstermijn retention period
 onderkant bottom edge
 onderlegvilt dry felt, roofing felt base, sarking felt
 onderlegvloer underlay
 ondersabeling paillasse
 onderstagbalk (binder) joist, bridging piece
 onderstempeld propped
 ondersteunen back, bear, carry, prop, support
 ondersteuning stirrup, propping, support
 onderverdelen subdivide, partition
 onderzoek testing, examination, checking
 ~ (bestudering) applied, investigation
 gericht ~ official test
 officieel ~ official test
 onderzoeksrapport test certificate
 ondiep shallow, shoaly
 ondoorlatend impermeable, impervious
 oneffenheid ruggedness
 ongelijke zetting differential -/ irregular settlement,
 ongelijkzijdig scalene

ongeprofileerd plain
 ongeschaafd unplaned, rough
 ongeschoord raamwerk unbraced frame
 onroerend goed real estate
 ontbinden desintegrate
 ~ (contract) annul
 ~ van krachten resolve forces
 ontbranden ignite, catch fire
 ontdooien defrost, thaw
 onteigenen expropriate
 onteigening expropriation, condemnation, eviction
 ontginning land reclamation
 ontgraven dig off, excavate
 ~ (bouwput) excavate, sink
 ~ (sleuven) trench, ditch

 plafondcassette coffered flooring slab
 plakstrook tuck in
 plamuren putty
 planken vloer batten floor(ing), boarded ~/ deal floor
 plasticgolfplaat corrugated plastic sheet
 plastisch plasticity
 platdak flat roof / decking
 platform deck, platform, stage
 platstuk architrave, cover fillet
 platte vijzel flat jack
 plattegrond ground-plan, plan, plan view
 platverzonden countersunk, flush-mounted
 pleisteren plaster, parget, stucco, finish
 pleisterwerk plasterwork, plastering
 plenum plenum
 plint skirt, skirting board, baseboard
 plintafwerking base trim
 plintlat base shoe, shoe mould
 plofdak blow-away roof
 plofwand blow-away wall
 plug (wall) plug, wall dowel
 pluggen plug, stop up
 poer foundation block / ~ pad, pier block, independent footing, single footing

polair traagheidsmoment polar moment of inertia
 polder polder
 poldergemaal draining machine
 polijsten polish, buff, burnish
 polonceau spant french truss, Fink truss
 polyester polyester
 pomp pump
 pompen pump, evacuate, pump up
 ponswerking punching effect, punching shear
 Pool van de beweging Instantaneous Center of Zero Velocity
 poolbaan space centre
 poolhode body cone
 poolkromme body centre
 popnagel hollow rivet
 populierenhout poplar wood
 poreus porous, pored, cellular
 porie pore, void
 porisosteel porous brick
 porren rod, puddle, pun
 portaalspant portal frame, bent
statisch onbepaald ~ hyperstatic frame
stijf ~ steel rigid frame
 portiekwoning tenement house
 post onvoorziene uitg. contingency allowance
 prefab prefabricated, precast (beton)
 prieel arbour, bower, summerhouse
 prijsopgave estimate, indication of price
 primaire constructie primary structure

proefbelasting load test, test load, trial loading
 proefstuk specimen
 profiel profile
 ~ (doorsnede) profile section, cross section
 ~ (vorm) moulding, shape, form
koudgewalst ~ cold-rolled steel
koudgezet ~ cold-worked section, CF-steel
warmgewalst ~ rolled section

profielhoogte depth of section
 profiellat band fillet, band moulding
 profielligger rolled beam ~/ girder, rolled steel joist
 profielstellen guide post fixing
 profileren profileren
 projectleider project engineer, project manager
 pui façade, lower front, window front
 ~ (glazen) glass partition, glass front
 ~ (noorse) large-panel timber wall, two-storeyed timber wall

puibalk front beam
 puin debris, hardcore, rubble
 pulsen churn, bail, mud flush, wash bore
 puntlas seam weld, spot weld
 puntlast concentrated ~/ point ~/ single load
 puntmassa particle
 punt-streeplijn dot-and-dash line
 put (boorput) well
 ~ (bouwput) building pit, excavation
 putring concrete shaft cilinder, drop shaft
 pulstrooster gully grate, inlet grate
 pylon pylon

raam	glas-in-lood - window frame, sash light lead led light, lead glass window
raambeslag	hardware window fittings /- hardware
raamdagsstuk	window flanning, window reveal
raamdorpel	outer sill, cill
raamindeling	fenestration
raamstrook	window band, ribbon window
raamvlak	window bay
raamwerk	frame(work), framing
raamwerkligger	open-frame girder, Vierendeel girder
raaligger	Castella beam, castellated beam
rabatdeel	drop siding board, rustic siding
rachel	plaster lath, brander
rail	rail, slide bar, track
ramen	estimate
rand (kant)	rim, arris, edge, kerb, margin
~ (omranding)	skirt, surround
randafwerking	edge trim
randkabel (tentconstr.)	boundary cable
randstaaf	side bar
randvoorwaarde	boundary condition, precondition
raveelbalk	trimmer, trimming beam /- joist
raveling	trimming
reactiekracht	reaction force, reactive force
recht	straight, flat
rechterhand regel	right hand rule
rechthoek	rectangle
rechthoekig	rectilinear
rechtop	upright, vertical
rechtstand (muur)	abutment, butment, vault abutment
referentie lijn	reference line, datum line
referentiepeil	reference level
referentievlak	datum plane, fiducial plane
reflectie	reflection, reflexion
regel (houtconstr.)	cross-beam, transverse beam
regelwerk	common ground, rough ground
regendichtheid	rain imperviousness, rain proofness
regendoorslag	rainwater soaking
regenpijp	downspout, gutter pipe, conductor
regenverlet	downline due to rain, rain-delay
regenwaterafvoer	rainwater sewage, storm sewer system
regenwaterkering	rain repeller, stormwaste repeller
rek (sterkteleer)	elongation, strain
rekbaar	extensible, stretchable, tensile, ductile
rekening	account, bill, check, invoice
rekenwaarde	calculable ~ / computable value
rekgrens	strain limit, yield point
rekstijfheid	axial rigidity
rekstrook	strain gauge /- gage
reling	banister, guard rail, hand bar /- rail
renovatie	renovation, renewal, refurbishment
renoveren	refurbish, renew, renovate
resonantie	resonance
resonantiefrequentie	critical frequency
resultante v/d spanningen	stress resultant
restauratie	restoration, reconstruction, rehabilitation
restaureren	restore
ribbe (gewelf)	groine, lierne (rib)
~ (kubus)	arris, edge
~ (houtconstr.)	baulk, scantling, squared log
ribbelforming	corrugation
ribbenverstijving	ribbing
ribbenvloer (balkvloer)	beam-and-slab floor, ribbed floor slab
richel	ledge, offset

richtlat	floating rule, level, straight edge
riet	thatch, reed
rifhout	rift sawn timber
rijwielpad	cycle path, cyclist pavement
rijwielrek	bicycle rack, cyclist park
ringbalk	circular girder /- joist, ring girder
riolering	sewerage, drainage, sewer
rioleringsplan	plumbing system design
rioolleiding	drain ~ / sewer /- discharge pipe
rioollicht	foul air
roede	rod
~ (glas)	munlin, sash bar, spoke, glass bar
roef	batten seam, roll cap, round-topped roll
roerend goed	chattel
roesten	rust, corrode
roestvast staal	cor-ten steel
roestvorming	rust formation
roestvrij staal	corrosion-resisting ~ / stainless steel
roestwerend	corrosion-inhibiting
roet	soot
roldeur	roller door, sliding door
rollaag	brick-on-edge course, upright course
rolluik	roller blind, rolling shutters
roloplegging	roller bearing
roltrap	moving stairway, escalator
rond dakvenster	bull's eye
rondhout	round log, rickers
rondstaal	round steel, round-bar steel
rooilijn	building ~ / frontage line, alignment
rook(gas)afvoer	flue
rookkanaal	chimney flue, smoke flue
rooster	grate, grating, grill
roosterlijn	modular ~ / planning grid
roosterlevel	grid line, setting-out line
roostermaat	grid dimension, structural module
roosterwerk	lattice work
rotonde	rotary island, rotunda, roundabout
rotten	decay, rot, (trootwater) digest
rotwerend	rot-proof
rubber	rubber
rubberafdichting	rubber gasket /- packing /- sealing
ruilverkaveling	reallocation, replanning
ruim	spacious, (woning) roomy
ruimen	broach, ream, scrape out
ruimtelijk	spacial, spatial
ruimtelijk vakwerk	space frame /- structure /- truss
ruimtelijke ordening	development ~ / environmental planning
ruimte maat	capacity measure, room area
ruis	noise
ruit (vorm)	diamond, lozenge
~ (parallelogram)	rhomb
ruw	course, rough / crude, untreated
ruwbouw	rough structure, carcass work, carcassing
ruwbouwmaat	work measurement

ontwerp ~

samendrukbare voegband	expansion strip, intumescent strip
samengesteld	assembled, built-up, composed
samengestelde balk	compound ~ / dowelled ~ / keyed beam
samengestelde lichamen	interconnected bodies
samenhang	compatibility
samenstellen	build up, compose
samenvallen	coincide
samenvoegen	join, trim
sandwichbalk (hout+staal)	flitch(ed) beam, sandwich beam
sandwichelement	composite ~ / compound unit
sandwichplaat	composite panel, composition board, laminated board, sandwich plate
sanering	rehabilitation, slum clearance
saneringsgebied	blighted area
sanitair	(china) sanitary ware
schaal	shell
schaal (verhouding)	scale
	op ~ true to scale
	vergrote ~ enlarged scale
	verkleinde ~ reduced scale
schaalaanduiding	scale indication
schaalverdeling	graduation, scale division
schaarconstructie	shearing construction
schacht	shaft, lift well
~ (bout)	shank
schachtput	lift pit
schakel	ledger, girt strip, chain iron, chain link
~ (ketting)	shackle
schakelaar	switch, cutout
schakelkast	control ~ / cutout ~ / switch box
schalngat	hollow newel, well mouth, wellhole
scharen	shear
scharnier	(pin) hinge
scharnierbout	hinge bolt, joint bolt
scharnierconstructie	hinged system, articulated system
scharnierend	hinged, pivoting
scharnierligger	hinged beam, pin-hinge ~ / Gerber girder
scharnieroplegging	hinged ~ / pivot ~ / pin bearing
scharnierverbinding	hinged ~ / articulated joint, jointed coupling
schatten	estimate, rate, value
op het oog ~	span
schaven	plane
scheef	skew, slanting, out of true
~ (lijn)	crooked
~ (vlak)	inclined, sloping
	scheve doorsnede inclined section
scheefzakken	tilt, topple
scheg	furring, packing piece
scheidingslaag	interlayer
scheidingsmuur	partition ~ / division wall
scheluw	skew, twisted, warped, crooked
schema	scheme, diagram
scherm	guard, screen, shade
scherpe hoek	acute angle
schets	sketch, esquisse, draft, freehand drawing
schetsen	sketch, outline
schetsplaat	gusset (plate), cover ~ / junction plate
scheur	crack, fissure
~ (in hout)	shake
scheurvorming	crack formation /- propagation
schietlood	plumb bob, plummet, plumb line
schiften	match, mate
schijfconstructie	plate ~ / frameless construction
schijfwerking	diaphragm ~ / disk ~ / slab action
schimmel	mildew, mould, mold

schimmelwerend	mould- / fungus-resistant
schokbeton	joltcrete, jolted concrete, shockcrete
schoon beton	exposed concrete, facing concrete
schoonmetselwerk	exposed brickwork, fair faced work
schoor	raking prop, spur shore
~ (v/e spant)	strut
schoorklamp	brace
schoorpaal	raking shore, raker pile, rider shore
schoorsteen	chimney, stalk, tun
schoorsteenwerking	flue effect, stack effect
schoorwerk	propping, strutting
schootanker	tie cotter
schoren	brace, prop up, shore up, strut
schot	boarding, timber-lined shed
schraag	horse
schraagpijler	buttress, abutment pier
schrale beton	lean concrete
schrank	shearlegs, shears, tripod
schranken	cross, slant
schroef	screw
	~ met platverz. kop countersunk screw
	~ met ronde kop button-head ~ / dome-headed screw
	zelftappende ~ self-tapping ~ / sheet metal screw
schroefbout	bolt
schroefdraad	screw-thread
schroot (alu)	aluminium lapsiding /- shingle
~ (hout)	shingle
schuifkracht	shear force /- action, longitudinal shear
schuifpui	sliding glass wall, sliding window wall
schuifraam	sash window
schuifspanning	shearing strain, shear stress
schuifvervorming	shear distortion
schuimband	foam packing, foam strip
schuimbeton	foamed ~ / aerated concrete
schuimrubber	cellular ~ / expanded ~ / froth rubber
schuin	oblique, chamfered, bevelled
~ (lijn)	skew
schuinte	inclination, slope
schuiven	shove, push, lift
schuren	rub, scrape
schuur	shed, barn
schuurmiddel	abrasive
sediment	sediment, settlings
seriewoningbouw	repetitive housing
serre	conservatory, glass-house
singelband	webbing
skelet	skeleton, carcass, frame
slabbe	(cover) flashing
slagschaduw	sharp shadow
slagvast	impactproof, impact-resistant
slakkenbeton	breeze ~ / clinker ~ / slag concrete
slankheid	slenderness
sleuf	trench, ditch
slib	mud, mire
~ (van zand of klei)	silt
slijpen	grind
slijtage	wearing
slijten	abrade, wear out, deteriorate
slijtlaag	wearing course /- layer, topping (wegdek)
slijtstrip	clout
slijtvest	hardwearing
slobgat	slotted hole, oblong hole
~ (voor pen en gat)	open mortise
sloop	demolition, wrecking, pulling-down

sloot	ditch
slopen	demolish, wreck, pull down, raze
sloppenwijk	slums, blighted area
slot	lock, lockset
slotbout	coach ~ / carriage ~ / track bolt
slotmoer	clasp nut
sluiting	locking, clamping, blocking
sluiring	ferrule, washer
sluistuk	boss, crown stone, keystone
smeden	forge, hammer
smeedijzer	wrought iron, malleable iron
smeedstaal	wrought steel, forged steel
smellijm	thermosetting adhesive
snarenbeton	Hoyer concrete, prestressed wire concrete
snedenmethode	method of sections / method of joints
snelspanner	quick-acting clamp
snijlijn	intersection line
snijpunt	intersection
snijvlak	cut surface
sociale woningbouw	public housing
sokkel	base, foot block, plinth
soldeerverbinding	brazed joint, soldered joint
solderen	solder
sondeerijzer	earth borer, miser, sounding rod
sonderen	cone penetration testing
soortelijk gewicht	specific weight, weight density
spaan	chip, cutting, splinter
spaanplaat	chipboard, particle board, shaving board
spanband (tentconstr.)	textile belt, webbing belt
spanbeton	prestressed concrete
spanblok	jacking block, tensioning block
spandraad	span wire, stay wire
spankabel	guy rope, guy cable, stay
spanmoer	tension nut, turnbuckle
spannen	tighten, tauten, (uitrekken) strain
spanning	stress
	~ door trek
	~ door druk
	inwendige ~
	toelaatbare ~
spanningscombinatie	compound stress
spanningsblokje	stress element
spanningsvrij	stress-relieved
spanring	tightening ring
spanslot	turnbuckle, screw shackle, tension sleeve
spant	roof frame, roof truss, truss
spantbalk	binder, binding beam, truss joint
spantbeen	main rafter, principal (rafter), back rafter
spar/spoor	rafter
sparing	cut-out, recess
~ (beton)	block-out, box-out
~ voor balkoplegging	beam pocket, wall pocket
spatkracht	lateral thrust
spatpen	haunch, hauncheon
specie	mortar, stuff
speciebaard	mortar burr
specielaag	bedding course
speun	pivot pin
speling	clearance, play, tolerance
spie	wedge, key
spiebout	coller bolt, key bolt
spiegelglas	polished plate glass
spijker	nail

~ zonder kop	prig
spijkerlat	fixing fillet, fixing blok
spijkerplaat	nailing gusset
spijkerplug	hammerfix
spinhout	sapwood, alburnum
spleet	slit, slot, gap
~ in muur	crack, wall gap
~ in materiaal	chink, crevice, fissure
splijten	knap, cleave, chop
splijtlat	riven lath, split
splijtvastheid	cleavage strength
split-level woning	split-level house
splitpen	split pin
sponning	rabbet, rebate
spouw	cavity, air space
spouwblad	leaf, skin, tier, wythe
spouwmuur	cavity wall
spuitwerk (beton)	guniting
staaf	bar, rod
staafkracht	bar ~ / member ~ / rod force
staal	steel
staalbetonkolom	composite column
staalplaat	rolled plate, rolled sheet iron
staalplaatbetonvloer	composite floor slab
staalsoort	steel grade, steel quality
staander	stanchion, timber pillar
stabiel	stable, steady
stabiliseren	stabilize
stabiliseren (grondw.)	compact, consolidate
stabiliteitskern	central core, hub
stadsontwikkeling	urban development /- expansion
stadsuitbreiding	urban extension
stadsvernieuwing	urban renewal
stalen golfplaat	corrugated steel iron
stalen koker	boxed steel section
stalen buiskolom	pipe column
stampbeton	tamp-concrete, rammed concrete
standaardafwijking	standard deviation
stang	bar, rod
stangenveelhoek	polygon of forces, funicular polygon
stansen	punch, stamp
stapelconstructie	dry construction, stack work
star (onvervormbaar) lichaam	rigid body
statisch bepaalde	constructie perfect frame
statisch onbepaalde	constructie hyperstatic frame, redundant frame
statisch overbodig	statical redundant
statisch systeem	structural system
statische belasting	static load
steekbalk	needle beam
steekboog	bonnet arch, camber arch
steekgewelf	savory vault
steekspant	collar roof truss
steenafval (metsaak)	spall
steensrollaag	brick-on-end, soldier (course)
steigerwerk	scaffold, scaffolding, staging
stekanker	anchor bolt, holding-down bolt
stekeind	starter bar
stelbout	set screw
stellen	set, adjust, place, put up
~ (bekisting)	shutter up
stelpost	provisional sum
stelraam	guide frame, rough buck, subcasing
stelruimte	clearage, clearance
stempel	dead shore, prop, shore, spur, strut

stempelen	prop up, strut
sterkte (duurzaamheid)	endurance limit
~ (houdbaarheid verf)	fastness
~ (materialen)	strenght
steunbeer	buttress, abutment pier, counterfort
steunblokje	setting block
steunijzer	slab pacer
steunmuur	retaining wall
steunpunt	bearing, support
steunpuntmoment	hogging moment, negative moment
steunpuntreactie	support reaction, supporting force
stifdeuvel	shear stud connector
stijfheid	stiffness
stijl	post, standard
stompe las	butt weld
stoot	linear impulse
stoolmoment	angular impulse
storten	cast, pour, place
stortnaad	conjunction joint, working joint
stortvoeg	poured joint
strak	taut
stramien	planning grid
streefmaat	gauge, nominal dimension
streng	strand
strengperssteen	wire-cut brick
stroef	anti-skid, non-skid
strokenfundering	strip foundation, strand footing, wall footing
strop (hijzen)	sling
stuik	compressive strain
stuiken	jump-join (hout), clench, upset (staal), swage
stuiervoeg	butt joint, abutting joint
stut	support, prop, shore, stay
stuwdruk	back pressure, dynamic pressure
superpositie	superposition
suskast	silencer, sound attenuator
stysteembekisting	shuttering system
stysteemvloer	flooring system

taalsen	pivot
tafelbekisting	table form
talud	batter, slope, talus (natuurtij)
tamponneren	stipple, spot
landverbinding	bride joint, slit and tongue, combed joint
taxushout	yew
T-balk	T-beam, T-girder
T-balkvloer	ribbed floor
tegel	tile, slab
tegendraads	chipped grain, torn grain
tegenwicht	counterpoise, counterweight
tekenaer	draughtsman
tekenafpraak	sign convention
ter plaatse gestort	cast in-situ
terrein	ground, location, site
terreinhoging	land-fill, made ground
teruggiggend	recessed, sunk
theoretische overspanning	effective span
thermische breuk	expansion crack
thermische isolatie	thermal insulation
thermische spanning	thermal stress
thermische uitzettings- coefficient	coefficient of thermal expansion
tijdelijke draagconstructie	falsework structure, auxiliary construction
timmerwerk	joinery work, carpentry
tl verlichting	neon tube light
tochtkering	draught preventer, weathering strip
tochtstrip	draught bead, weather strip
<i>rubberen ~</i>	wiping seal, frame gasket
toelaatbare spanning	safe strain, permissible stress
toeslag	addition
toeslagmateriaal	aggregate, loading
toeslagstof (vulmat.)	load, loading material
<i>zonder ~</i>	neat
toestel	appliance, device, apparatus
toevoerkanaal	supply duct
toevoerrooster	inlet grating, air supply grill
tolerantie	tolerance, allowance
tongewelf	barrel vault
toog, zeeg	camber, crown
topgevel	gable (end)
topgevelafdekking	barge -/ gable course, gable coping
toplaag (bitumen)	cap sheet
torderen	twist, distort
torsie	torsion, twist, twisting
torsiehoek	angle of twist(ing), torsion angle
torsiemoment	torque, torsional moment
torsiestijfheid	torsional rigidity/stiffness
totaalmaat	overall dimension
totaalvloeroppervlak	gross floor area
T-profiel	T-bar, tee-steel, T-section
traag(heid)	inert(ia)
traagheidsas	axis of inertia
traagheidskracht	inertia force
traagheidsmoment	inertia effect, moment of inertia, second moment of area
traagheidsstraal	radius of gyration
tralieligger	half-lattice girder, lattice truss, Warren girder
transportbeton	ready-mixed concrete
transportwapening	assembly steel
trap	staircase, stairs, stairway
<i>luie ~</i>	easy stair

<i>~ met kwart</i>	quarterpace stair
<i>~ met tussenbordes</i>	half-pace stair
<i>open ~</i>	open-riser stair, skeleton steps
<i>~ tussen twee muren</i>	box stair, enclosed stair
trapgat	well mouth, wellhole
trasraam	brick damp course, rigid damp course
travee	bay, sever, trave
trek	tension
trekbalk	main beam, tie beam, tirant
trekband	tensile chord, straining strap, tension rod
trekkabel	hauling cable, stay, traction rope
trekkracht	tensile force
trekpaal	anchor pile, tie pile
trekspanning	tensile stress, tension strain /- stress
trekstang	tension member, tension tie
treksterkte	tensile strenght /- stress, tension strenght
tribeton	joltcrete, form-vibrated concrete
trilling	swing, oscillation, vibration
triplex	plywood
TT-vloerplaat	double T-beam, precast TT-beam
tui	cable stay, guy cable
tuielraam	pivot window, projected window
tussenstijl	mullion
tussenverdieping	entresol, half story, mezzanine
<i>zwevende ~</i>	floating screed
tweede oppervlakte moment	second moment of area
twee-dimensionaal (vlak)	plane truss
<i>vakwerk</i>	plane truss
tweescharnierboog	two-hinged -/ two-pinned arch
tweezijdig ingeklemde balk	fixed-fixed beam

U-balk	channel, u-section
uibesleden	board out, contract out, sublet
uitbouw	annex, extension
uiterste grenstoestand	ultimate limit state
uifrezen	rout
uilgraven	ditch, excavate, sink
uithakken	abate
uithardingsijd	curing time, final setting time
uitkeping	birdsmouth, foot cut, toe-jointing
uitknikken	buckle, yield (wand)
uitkraging	cantilever, jetty, overhang, projection
uitlevering (grondw.)	bulge, swell
uitlijnen	align
uitrekking	elongation, stretching
uitschrijven (aanbest.)	tender out
uitspansel	sky vault
uitsparing	pocket, recess, appurtenance
uitrekstaat	dimensions paper
uitvlakken	flatten, flush up, smooth
uitvoerder	general foreman
uitvoeren	constuct, carry out
uitwassen	scour
uitwendig product	vector product
uitwendige kracht	external force
uitwerken	elaborate
uitwijkend moment	overturning moment
uitzelraam	awning sash, hinged sash window
uitzetten (beton)	expand
uitzetten (terrein)	peg out, stake out
uitzetvoeg (dilatie)	expansion joint, dilatation joint
uniforme thermische rek	uniform thermal strain
u-waarde	u-value, thermal transmittance

vakmanschap craftmanship, workmanship
 vakterm craft term, technical term
 vakwerk framework, truss
ruimtelijk ~
 vakwerkkolom girder pole, girder column
 vakwerkligger braced beam, lattice girder, frame girder
 vakwerkspaan truss, lattice truss
 vakwerkstaaf truss, truss bar, frame member
 valraam bottom-hung sash
 valwind draught, eddy current, gust
 vast glas fast sheet, fixed glazing, stand sheet
 vaste grond firm soil, bearing ground
 vastklemmen clamp, clip
 vastklinken rivet together
 vastlijmen adhere, glue together
 vastmaken fasten, fix, tight
 vastsjorren lash, seize
 vector, verplaatsbaar langs sliding vector
 vector product cross product
 vectorvergelijking vector equation
 veengrond boggy soil, peat soil
 veenlaag layer of peat
 veer spring, feather (timm)
 veerconstante spring constant
 veerkracht resilient, elastic
 veiligheidsfactor safety factor /- coefficient
 veiligheidsglas safety -/ security glass
 veld field
 ~ (gewelf) vault bay, severy
 ~ (vloer) slab span, bay, trave
 veldlengte span length
 veldmoment moment of span
 veldwapening mid-span reinforcement
 vellingkant bevelled edge
 vensterbank window sill, banquet
 vensterdorpel external window sill
 vensterruip window pane, pane, square
 ventilatie ventilation, aeration, venting
 ventilatiekanaal funnel, vent duct
 ventilatierooster air grate
 veranderlijke belasting imposed load, live load, working load
 verankeren anchor, stay, tie
 verankering anchorage
 verband (metselw.) bond
 verblijfsruimte common room, lounge
 verbinden assemble, connect, link, join together
 verbinding joining, joint, connection
 verbindingsmiddelen (hout) fasteners
 verbindingsstuk coupling
 verblinding glare
 verbouwen alter, modify, reconstruct
 verbuigen bend, buckle, crank
 verdeelstaaf (beton) spacer bar, distribution rod
 verdeelwapening distribution steel, secondary reinforcement
 verdichten (grondw.) compact, consolidate, grout
 verdiepen deepen, countersink, dimple
 verdieping floor, storey, story
 verdiepinggebouw multi-storey building, tier building
 verdiepinghoogte floor level, floor-to-floor height
 verduurzamen preserve
 verdwijnpunt vanishing point, directing point
 veredelen modify, refine
 vereffenen (hoogte) even, level

verend resilient, elastic
 verende oplegging elastic bearing, elastic support
 verf paint
brandwerende ~ fire-resistant finishes, flame-proof paint
dekkende ~ opaque paint, finishing coat
~ op lijm-basis distemper, tempera paint
sterkdekkende ~ mass colour, masstone
 verbladder blister, bubble
 verflaag paint coat
 vergelijking equation
 verharding pave, asphalt / harden, set (beton)
 verharding setting, cure (lijm), maturing (beton)
 verhoogde vloer acces floor system, raised floor
 verhouding ratio, factor
 ~ van trap rise and run ratio
 ~ hoogte-overspanning depth-span ratio
 verjongen taper, batter, narrow
 verkaveling site subdivision, parcelling-out
 verkeersruimte (gebouw) circulation area
 verlaagd plafond drop -/ false -/ suspended ceiling
 verlenging elongation
 verlengstuk extension member, extension piece
 verlet downtime
 verlichting lighting, illumination
directe ~ direct lighting
indirecte ~ concealed lighting
 verlichtingssterkte illuminance
 verlijmen glue, bond, cement
 vermetselen wall up, brick up
 vermoeingssterkte fatigue resistance
 vermogen power
 vernauwing necking
 verordening bye-laws, building codes
 verouderen age
 verplaatsingen-methode displacement method
 verschralen (mortel) weaken
 verschuivingsregel (Steiner) parallel axis theorem
 versnelling acceleration
 versnelling Fz gravitational acceleration
 verspringen stagger, alternate, misalign, offset
 verstek (haaks) mitre, mitring
 verstek (niet-haaks) bevelling
 versteknaad mitre (d) joint
 verstelbaar adjustable, adaptable
 verstelbare bekisting travelling formwork /- shuttering
 versterken strengthen, reinforce (wapenen)
 versterkte strook strengthening floor strip
 versteviging strain hardening
 verstijven stiffen, prop, reinforce, strut, shore
 verstijvingsbalk (beton) buttress bracing struts, diaphragm beam
 verstijvingspaneel shear panel
 verstijvingswand diaphragm -/ tie -/ buttressing wall
 verticaal vertical, upright, perpendicular
 vertinlaag (metselw.) back plastering, roughcoat, pargetting
 vervaardigen make, manufacture, produce
 verval (gebouw) dilapidation, blight, deterioration
 vervallen dilapidate, deteriorate, ruin, decay
 vervangen replace, substitute
 vervormen deform
 vervorming deformation, distortion
 vervuiling contamination, pollution
 ~ van wanden staining
 verwarming heating (system)
 ~ (centrale) central heating
 verwarmingselement heater, radiator, heating unit/element
 verwarmingsketel boiler

verweken soften, plasticize, plasticate
 verweren weather, decay, desintegrate
 verwerken process, work
 verzagen abate, convert
 verzakken subsidence / yield, settle (gebouw)
 verzinken galvanize, zincify, countersink, flush
 vezelbeton fibrated concrete
 vezelcement glass-reinforced cement
 vezelwapening fibre reinforcement
 vide empty space, vacant space
 Vierdeelligger Vierendeel truss, open-frame girder
 vijf file
 vijzel jack, hoisting -/ lifting -/ screw jack
 villa villa, residence
 villawijk housing estate
 viilt (hair) felt
 vingerglas finger joint, combed joint
 visbek V-joint
 visceus viscous, viscid
 vlak plane, surface (oppervlak)
 vlak (op gelijke hoogte) dead-level
 ~ (oppervlak) even, flush, level, plane
 vlakke spanningstoestand plane stress
 vlakke vervormingsstoestand plane strain
 vlak raamwerk plane grid
 vlakschaven plane smooth, surface
 vlammentekening (hout) vein, streak
 vlasvezelplaat flax board
 vlechten interlace, lattice
 ~ (wapening) tie, bind
 vleugelmoer butterfly nut, fly nut, thumb nut,
 viering attic, cock loft, garret, roof void
 vliesgevel curtain wall
 vloebeton cast concrete, chuted concrete
 vloelen (staal) yield
 vloei-grens elastic limit, strain limit, yield point
 vloei- spanning flow stress, yield stress
 vloer floor, slab
brandwerende ~ compartment floor
~ met kruiswapening two-way floor
onafgewerkte ~ blind floor, sub-floor
tweezijdig opgelegde ~ one-way slab
vrijdragende ~ freely supported floor
 vloerafwerking floor decking, floor topping, finished floor
 vloerbedekking (textiel) carpeting, floor covering
 vloerbekisting (beton) decking, slab formwork
 vloerbelasting floor load
 vloerelement (structural) floor unit, hollow tile
 vloeroppervlak floor area, floor space
netto ~ net floor area
nullig ~ effective floor area
 vloerpeil finished floor level (afk: FFL), floor line
 vloerplaat floor slab, floor unit
 vloersplank (hout) floorboard, plank, deal
 vloerchijf floor diaphragm
 vloertegel quarries, quarry tile, floor tile
 vloerwarming screed heating, (under)floor heating
 vlonder wooden grating
 vluchtrap emergency staircase, escape stair
 vluchtweg emergency route, escape route
 vocht damp(ness), humidity, moisture
capillair ~ fringe water, capillary moisture
doorslaand ~ rain penetration, soaking-through
optrekkend ~ rising damp /- moisture
 vochtdicht damp-proof, moisture-proof, vapour-tight
 vochtplek damp stain, water stain

vochtwerend moisture repellent
 voeg joint
afwaterende ~ weather struck joint
open ~ open joint, drained joint, hollow joint
teruggliggende ~ backjoint
verdiepte ~ recessed -/ rustic -/ tooled joint
 voegband expansion strip, waterstop
 voegenkleefband taping strip
 voegmes (metselw.) Frenchman
 voegstrip jointing -/ sealing -/ caulking strip
 ~ (rubber) rubber gasket
 voet base
 voetpad footpath, walkway
 voetplaat (staalconstr.) bearing -/ base plate
 vogelvluchterspectief bird's eye (view)
 vol-en-zaal (metselw.) shoved joints, pick-and-dip
 volgplate bearing plate
 volgring (bolt) washer
 volledige inklemming complete restraint
 vollewand ligzer plate girder
 volschuimen foam, froth
 volume rek dilatation, unit volume change
 vooranzicht front view, front elevation
 voorgespannen tensioned, prestressed
 voorgespannen vloer (beton) long-strip flooring
 voorgevel facade, front face, frontispiece
 voorlopig ontwerp preliminary design
 voorlopig schetsontwerp schematic design
 voorrek prestrain
 voorspanbeton pretensioned concrete, Hoyer concrete
 voorspanbout high strength friction bolt
 (afk: HSFGB-bolt)
 voorspankracht prestressing force
 voorspanning prestress, tensioning
 voorspanstaal high tensile steel
 voorspanstreng tendon
 voorzetdeur storm door, weather door,
 combination door
 voorzetwand facing wall, retention wall, veneer wall
 vormbaksteen stiff-mud brick
 vormtaal architecture symbolism
 vormfactor shape coefficient
 vormvast dimensionally stable
 vormverandering deformation
 vormveranderingsarbeid strain energy
 vorstgrens frost line, frost zone, zone of freezing
 vouwconstructie folded-plate construction,
 hipped-plate structure
 vouwnaad (felsnaad) folding welt, seam joint
 vrij opgelegd freely supported
 vrijdragend cantilevered, free-bearing,
 simply supported
 vrije hoogte headroom, headway
 vrije overspanning clear span
 vrije vector free vector
 vrijstaand (huis) detached
 vuilafstotend dirt-repelling
 vuilnis garbage, refuse
 vuilverbranding refuse -/ waste incineration
 vuilwerk (metselw.) backfilling, backing(-up)
 vuistregel rule of thumb, empirical rule
 vulelement (in)filler block
 vullen feed, fill, load
 vulpasta badgeon, repair composition
 vulstip shim
 vulstuk cradling, packing piece, filler

vurenhout	pruce, white deal, whitewood
vuurbelasting	fire load (density)
vuurvast	refractory, fire-proof, fire-resistant
vuurvaste specie	chamotte mortar

waaivormig	fan-shaped	windbelasting	wind load(ing)
waalformaat (210x105x42)	Dutch brick size	windverband	wind bracing, counter bracing
wafelplaat	checker plate	windzuiging	wind sog, wind suction, wind uplift
wal	rampart / earth bank, embankment (grondw.)	wisselstroom	alternating current (A.C.)
walsprofiel	rolled section, structural section	wilten	distemper, whitewash, dab, limewash
wand	wall	wolkenkrabber	skyscraper, high-rise building
	<i>gesloten</i> ~ blank wall, blind wall	wolmaniseren (hout)	Tanalith treatment
	<i>halfhoge</i> ~ dwarf wall	woning	dwelling, house
	<i>stijve</i> ~ core wall, diaphragm wall		<i>alleenstaande</i> ~ detached house
	<i>woningscheidende</i> ~ common wall, parting wall		<i>gelijkvloerse</i> ~ rambler
wandafwerking	wall lining	woningbouw	housing (construction), domestic construction
wandcontactdoos	wall socket, receptacle, convenience outlet		<i>sociale</i> ~ public housing
wang	cheek	woningmarkt	housing market
wankant	waney edge, bad bevel, wane	woningvoorraad	housing stock
wapenen	reinforce	woningwet	Housing Act
wapeningskorf	reinforcement cage	wooncomplex	housing estate
wapeningsnet	wire-mesh, mattress	woontoren	apartment tower, high-rise flats, tower block
warmteabsorbtie	heat absorbtion	woonwijk	(housing) estate, residential quarter
warmteaccumulatie	heat storage, heat accumulation	wrijving	friction
warmte-doorgangscoefficient	thermal transmittance, u-value	wrijvingshoek	angle of friction
warmterugwinning	heat recovery	wringing	torsion
wartel	turnbuckle, screw shackle, tension sleeve	wringmoment	torsion moment, turning moment
	lash, tie		
wartelen (beton)	lash, tie		
wastafel	wash-basin, lavatory basin		
waterafstotend	water repellent, hydrophobic		
waterdampspanning	vapour pressure		
waterdicht	watertight, waterproof		
waterdruk	water head, hydrostatic pressure		
waterhol	drip (cap), gorge, throat, weather drip		
waterpas	builder's level, spirit level, water level		
waterpassen	level		
waterspiegel	water level /~ table, stage		
waterstand	water-level		
watervast	water-resistant		
waterverplaatsing	buoyancy		
wc	flush toilet, W.C.		
wc-pot	toilet bowl, W.C.-bowl, toilet pan		
weefactor	weighting factor		
weekmaker	plasticizer, softener, softening agent		
weerstand	resistance		
weer	weather		
	<i>onwerkbaar</i> ~ weather delay		
weerbestendig	weatherproof, weather-resistant		
weerstandsmoment	moment of resistance, section factor		
weg	road		
wegprofiel	street profile		
wegverharding	(road) pavement, paving, metalling		
weldorpel (timm.)	splashboard, water bar		
wellat (timm.)	nose fillet		
welstandstoezicht	architectural advisory services		
welven	camber, bow		
welving	coving, vault(ing)		
werk	operations, work		
werken (hout)	warp, be working		
werkplaats	workshop, production shop, factory hall		
werktekening	operational drawing, working drawing		
werkvolgorde	sequence of construction /~ trading		
wig	wedge		
	<i>dwars</i> ~ cross key		
	<i>langs</i> ~ key		
wigvormig	wedge-shaped, feather-edged		
wijzigen	alter, change, modify		
wild verband (metselw.)	scintled brickwork, random bond		

Z

zaagdak	sawtooth roof, shed roof
zaagselbeton	sawdust cement, Lignacite
zachtboard	softboard, fibre insulating board
zadeldak	saddle ~-/ gable ~-/ ridge ~-/ pitched roof
zakgoot	parallel ~-/ trough ~-/ vee-gutter
zakking (ligger)	sagging, deflection
~ (gebouw)	settling, settlement
zand	sand, grit
zandaanvulling	sand filling /- backfill
zandbed	bed of sand, sand underlay
zandophoging	sand fill
zandstort	spoil area, dumped fill
zandstralen	sandblast
zeflkromme (beton)	sieve curve, grading curve
zeeg	hog, bow, camber, sagging
zetmaat	slump
zetting	settlement
zichllat	boning rod
zichlijn	sight line, collimation line, line of sight
zichtzijde	face
zijaanzicht	side elevation, side view, end view
zijbeuk	aisle
zijgevel	flank front, side face
zijlicht	flanking window, side-light
zijvlak	flank, lateral side
zijwaartse kracht	lateral force
zijwand	flank wall, side wall, lateral wall
zolder	attic, garret, loft
zonbestraling	solar radiation, sunning
zoninstraling	insolation, solar (heat) gain
zonlichtbestendig	sunfast
zonnecel	solar cel
zonne-energie	solar energy
zonwering	shading, sunprotection
zoom (metalen dakbed.)	bead, seam, weld
Z-profiel	double angle section, Z-bar
zta	solar gain factor, S-factor
zuilengallerij	collonade, portico
zuivere afschuiving	pure shear
zuivere buiging	pure bending
zuivere torsie	pure torsion
zwaartekracht	gravity
zwaartepunt	center of gravity, centroid
~ (v/e doorsnede)	centroid
zwaluwstaart	dovetail, swallowtail
~verbinding	dovetailing
zwellen	swell
zwellling (kolom)	entasis
zwevende tussenvloer	floating floor /- screed
zwik	spandrel
